

Dear parents/carers,

Below is a copy of the spellings which will be tested this half term. There will be a general spelling rule each week and words taken from the `must-know` national curriculum list for Lower Key stage 2.

These words will no longer be placed into books on a weekly basis and therefore this list should be kept in a safe place. You may also find it useful to take a photo on a smartphone to keep a record of the words which will enable you to support your child’s learning beyond the home. A copy of these words will also be available from the school website should you need to replace them.

Many thanks for your continued support.
