## **E-Safety: Jargon Buster**

### **app**

Applications, or ‘apps’, are computer programmes designed for a phone or other mobile device, such as a tablet computer, that give you access to a range of information and services from the internet. You can download apps onto your phone, tablet or PC from an online store such as App Store or Google Play. An app could be a game, a social networking tool or something silly! Some apps are free and some you have to pay for.

**Please return the Acceptable Use Agreement [sent out before Christmas] as soon as possible 😊 don't forget to share it with your child and sign it!**
