1st February 2019

Luke's Gospel this week shares the story of when Jesus was preaching in his home town where many of the people knew him. They knew that he was the son of Joseph the carpenter. They found it difficult to believe what he was saying because they knew him to be an ordinary carpenter's son.

Year 1 led us in Liturgy this morning expressing very well that being ordinary does not mean that we are unable to do extraordinary things. Year 1 encouraged us all to do extra special things.

The statement to live by this week has been **I know we are happiest when we are united.**

On Monday in assembly we had a good chat about what we can achieve when we work as one.

It is lovely to see children in school wearing watches but please keep the expensive watches at home. This particularly becomes an issue when the children have PE and have to remove the watches.

During the half term Premier Sports are running a holiday camp in school. Please see www.premier-education.com/camps/ to book onto the sessions.

Premier Sports have given us prizes of free sessions. We have put all of the children's names into a hat and picked one child per class to receive them. Check your child's bag to see if they have won!

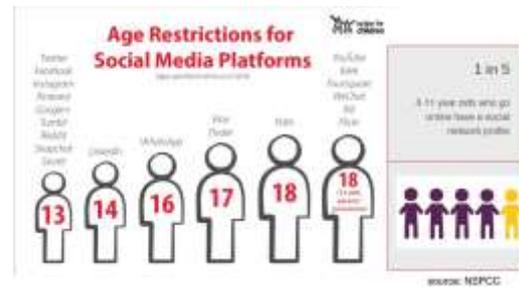

Attendance last week was 92% which is way below our aim of 96%. Let us see if we can improve on that this week.

Mrs White & Mrs Hart are still collecting any clean plastic bottle tops and they would be very grateful for donations as they are halfway through making the curtain for the Reception class "stage". This is an image of what it might look like so please keep the donations coming!

A reminder that social media platforms should not be used by children in a primary school. This is to safeguard the children from any type of harm, whether it is from either people they know in person or people they think they know virtually. **Please check your child's devices – as parents it's our responsibility to know what they are doing.**

Some of our children took part in a netball tournament this week and we are very proud of them. The Year 5 girls achieved 4th place and the Year 6 girls also achieved 4th place. Well done girls you were a credit to the school!

OOOO it's still cold outside! Please make sure that your child(ren) have hats gloves and scarves in school with them. We noticed quite a few were without them recently. **Also spare socks or tights may be an advantage while we have snow as we are allowing the children to play out.**
