'Learning to value,

Learning to give,

Learning to achieve,

Growing in the peace of Christ.'

All staff is fully committed to this mission statement. We endeavour to apply it to every aspect of school life, and to support the pupils in understanding how they can contribute to our mission.

We welcome all children to the community of St. Bede's and work hard to ensure that their time at here is happy and they fulfil their potential both socially and academically.

We are a school where inclusion is paramount providing equal opportunities for every member of our community.

We cherish the trust that you as parents have placed in us and aim for the very best for your child. It is essential that the school and home work together in partnership.
