28th September 2018

In this week's Gospel we hear how it is important to help others and how small acts of kindness can go a long way. Using Jesus example can help others.

Thank you to Year 5 who led us in liturgy this morning. They shared the message of doing things as Jesus would.

kindness
MATTERS

This week's *Statement to Live*

By encourages the children to share their thoughts in order to support their mental wellbeing. Thank you for continuing to support our work with Statements to Live By. Please encourage your child with this week's statement....

'I can say how I feel.'

A request from nursery. The willow igloo is rather overgrown and our usual grounds maintenance company are extremely busy so will not be able to get soon. Are there any eager parents who would like to help Miss Grigg to trim the willow? Thank you in advance.

It was lovely to see so many parents at the First Holy Communion meeting on Monday. If you missed it and would like your child to begin Sacramental Preparation please see Mr Philips or Fr Peter or Deacon Stephen.

If there are any members of our community who would like to help indoors we would love some more volunteers who can read with the children. If you have some spare time and don't mind having safeguarding checks carried out then please get in touch.

A reminder that the online portal for admissions into Year 7 is open on the Northumberland website <https://www.northumberland.gov.uk/Education/Schools/Admissions.aspx#onlineschooladmissionapplication> the portal for Year 7 intake closes on the 31st October. This means that the parents of our Year 6 children need to apply for a place for their child for next academic year. If you have any queries please call the school office.

P.E. Kit

Can you please ensure that your child has the correct P.E. kit with them in school. This should consist of black shorts, white t shirt and black sandshoes. Leggings and sports leggings are not part of the uniform.

Thank you

Parents, if your child is in nursery or reception then don't forget to log onto their Tapestry account so you can see the fantastic work they have been doing! If you need help logging on or have lost your details please call the office.

Government funding for schools can be enhanced for some children so that the school can provide additional support. If you think that your child is entitled to free school meals and you have not informed us please speak to the office staff. This is especially important for children in Nursery, Rec, Y1 and Y2 as this money can help your children in more ways than simply a free school meal. This is a different entitlement to universal free school meals which children in Rec, Y1 and Y2 receive.
