

7.5.21

This Sunday is the sixth Sunday of Easter and John's Gospel (John 15:9-17). This week reminds us of the importance to love one another. Our school vision has love at the centre of it and we use this throughout all we do in school. Adults and children ask the question 'Am I showing love in what I am doing?'

Please speak with your child about the gospel reminding them that Jesus asks us to love others as he has loved us. How do they think they can do this? How can they show love for all people?

Catholic Row is not to be used by vehicles when dropping children off in the morning. Unfortunately there are some parents who continue to drive along the very narrow road. This is putting children at risk. Please think about all the other users of the road and park on a different street in a safe spot away from the children. At the moment there is a 20 minute window for bringing children into school in the morning so there is no hurry

A reminder that St Bede's Church is open if you wish to attend Mass

I would like to encourage those children beginning the preparation for First Holy Communion to attend Mass regularly. This is such an important part of the preparation so that all they are learning in school can be seen in practice.

Church is a 'covid-safe' environment so please do book when you would like to join the parish. There are 35 spaces at St Bede's. To book your place for the Saturday Vigil Mass (5.30pm) at St Bede's Church please call St Bede's Presbytery 01670 823 258 any evening from 6.30pm - 8.30pm
Booking is not necessary for weekday Masses, but you are asked to give your details to the steward on arrival.

There have not been many children signed up for the Holiday club. To ensure that it is viable to run we will need more names by Wednesday 12th May.

The club is planned on Wednesday 2nd, Thursday 3rd and Friday 4th June. This will be a combination of sessions provided by the NUFC Foundation and school let sessions.

Please email the admin account to express an interest.

Timings of the club 7.30am – 6pm

Cost £25 full day with lunch included

£15 half day

Once again thank you so much for following our safety guidelines around the school site. It is so heartening to see that so many of you are putting the welfare of our community above the inconvenience of increased walking and wearing of face coverings. We all look forward to the day that measure can be relaxed again.

A reminder for those who are unsure:-

Face coverings are to be worn around the school site by visiting adults.

Also please do not arrive at school before 3.30pm as there is a 15minute window for collections. Arriving before 3.30pm will mean that adults need to walk through the students from St Benet Biscop leaving school.

Thank you for ensuring that your child is not wearing earrings in school. This is a safety measure so that we can minimise the risk of injury if there are any knocks or bumps between children.
