Dear parents and carers,

We are writing to reassure you that as a staff we are working to put in place arrangements to support the learning of your children should we need to close the school. We have a number of resources available to share with you and we will be communicating this in more detail once we have worked together as a staff to collate them.

Already you can access the curriculum section of our school website where you will find the annual overview for each year group. This will indicate the planned teaching and learning for the coming weeks. As a staff we will be meeting this evening to prepare some further support including: home learning suggestions for each year group and directed activities based on our own planning.

Additionally, there are a wide range of educational companies, many of which we already use in school, who are offering free subscriptions and resources to schools and families during this period. It is our intention to signpost you to the most relevant ones for your child once we have reviewed them ourselves

We thank you for your patience as we work to prepare for the possibility of a school closure. As always, our number one priority remains ensuring that school is a calm and safe environment for all of our children and that we can continue to nurture and support them in their learning.

Yours sincerely

Miss Claire Clark
Deputy Headteacher
