

FOSC Autumn newsletter

Thank you to those who attended our first meeting and AGM. Following this meeting our chair is Ms Louise Martin—a huge thank you to Sarah Birch for all her hard work as Chair for the last 2 years!

As the new Chair of FOSC I would like to offer a warm welcome to all new nursery and reception children and also to all grandparents/carers.

My name is Louise, my youngest son has just started nursery in the Early Years and my eldest daughter came to the nursery and the school at St Cuthbert's, she loved every moment and was very sad when she had to leave to go to Middle School. I have been involved with the school for 5 years mainly as a Parent Governor however I am now volunteering to help support the school through FOSC in arranging fun, fundraising events for the school to be able to provide the children with more equipment and facilities.

With your help we can do wonders for the school, the FOSC meet around once every half term and you are all very welcome, we have coffee, cakes and a good chat. Younger children and babies (we all like a cuddle) are all very welcome too!

Even if you can only spare 1 event a year to help us it would be gratefully appreciated.

You would be under no obligation to attend every meeting or event but it would be lovely to see you!
