Parent Consultations

Please make an appointment with your child/rens class teacher for the parent consultations on Thursday 8th February. We have decided to make the consultations earlier than usual so that you are made aware of how your child's progressing and how to help your child achieve their best earlier in the year so that any adjustments can be made in good time.

Parking

Your child's safety is our priority – parking is not permitted outside the school gates on the white zig-zag lines as this obstructs vision around the crossing & we have had a child knocked down here before. Please park on Kiln Hill or Osborne Road where it is safe.

Toys

Please ensure no toys are brought in to school.

Year 4 Liturgy

Year 4 will be leading worship next Thursday morning (1st Feb), all are welcome to attend but we especially invite families of children in year 4 to join us.

Class 3

Please could children in class 3 bring a magnetic toy in to school tomorrow, if they have one, for their science lesson.

NSPCC

Please check out the NSPCC website for their new initiative Talk PANTS with the help of the friendly dinosaur Pantosaurus!! Go to: <https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/underwear-rule/>

Well done Y4!!!

Today is Holocaust Memorial Day.

The theme this year is 'the power of words' and the impact and difference words can make, both for good and evil. We encourage all children in St Cuthbert's to think about the words they choose to use towards others and to reject prejudice against anyone else they meet, regardless of their race, religion, family situation etc.
