Our statement to live by this week is...
**I think before I make choices
 that affect my health**

CAFOD Thanks

Thank you for all of your kind donations to CAFOD during the Advent 'Gifts' appeal. We are very pleased to tell you that we raised £66.36 and were able to buy a pig!! The income raised from breeding and selling pigs can help families send their children to school.

Parent Consultations

Please make an appointment with your child/rens class teacher for the parent consultations on Thursday 8th February. We have decided to make the consultations earlier than usual so that you are made aware of how your child's progressing and how to help your child achieve their best earlier in the year so that any adjustments can be made in good time.

Well done to our Christmas reading challenge superheroes!!!!

Winter weather

Please ensure your child has a warm coat, hat, gloves, etc. as we're experiencing cold weather and children will be outside at break times and for some lessons. Outside break can be up to 45 minutes at lunchtime. We do ask that everything is NAMED!!!

Safety

Your child's safety is our priority – one way we keep your child safe is to ask parents/carers to come over to the class teachers at the end of the day so that we ensure your child is dismissed to the right person. Please do not wait on the path as it is very busy and teachers and teaching assistants have expressed concerns about some children running off and not letting a member of staff know they have gone.

Reception Liturgy

Reception will be leading worship tomorrow morning, all are welcome to attend but we especially invite families of children in reception to join us.
