winners:
Years 2 + 3

PLAYGROUND MARKINGS:

We are delighted to have First4playgrounds in school to update the yard markings and create a more fun and creative environment for the children to enjoy. A huge thank you goes to the Parish of St Robert's for donating the funds to enable the children to enjoy their playtimes.

NEW PUPILS: A big welcome to Emily in Y1 and Imogen in Reception who have joined us this week. The children have been amazing at making them feel so welcome.

SCHOOL PLACES: Our spare school spaces are filling up fast! We only have 7 spaces available in Y1 and 2 spaces available in Y3. Please spread the word!

FIRST CONFESSION: A thank you to all the families for supporting the children in their sacrament of First Confession last week. The next session for their preparation for First Holy Communion is this **Saturday (2nd Feb) at St Bede's or Sunday (3rd Feb) at St Robert's.**

INTERNET SAFETY: February 5th 2019 is Safer Internet Day, a day that is very important to our school and pupils. This year's theme is "Together for a better internet." Childnet International, who form part of the UK Safer Internet Centre, have produced an online safety presentation to help schools, parents and carers to support children and young people online. We be using some of their resources in school during the day. For parent information please follow the link - [click here](#)

6 February 2018

YEAR4 FAIRGROUNDS: We are delighted that Mrs Thorne has been asked by the Northumberland ICT team to be part of their conference to show off the Y4 playground projects and to encourage other schools to be more creative with their computing curriculum. It is fantastic to have the work of Mrs Thorne and the Year 4 pupils acknowledged in this way.

SPHEROS: We will once again have the use of the Spheros in school for the next 2 weeks. The Sphero is a ball that can be controlled and programmed using an iPad. The children will use these pieces of equipment across the whole curriculum and specifically during STEM week. [Click here for more information.](#)

STEM WEEK: A reminder that STEM week is the week beginning the **11th of Feb.** We would be delighted if any parents or grandparents would like to speak to classes about their occupation within these fields to contact their class teacher on Class Dojo or via the school office.

NURSERY: We are about to start looking at applications for Nursery in September, if you do not already have your child's name down please pick up a form from the school office.
