1. Overview and Purpose

The Grove School endorses the principles of the Education Act (2011, 1988) in maintaining the right to free education for all children. The act allows us to request voluntary contributions to broaden children's educational experience.

In providing activities which take place during the school day the school may have to meet additional expenses, for example specialist groups working with children in school or additional equipment and resources which need to be purchased. The school reserves the right to ask parents for voluntary contributions for any activity organised by the school which takes place, wholly or mainly (50% or more) during normal teaching time.

Such enriching activities are an important aspect in supporting the curriculum. Non-contribution would not prejudice a pupil's place.

2. School Clubs

Clubs during lunchtime are run by staff and are free. Holiday club, Breakfast club and After school clubs are run by staff who are paid all year round out of the school budget, some of this cost is recouped through a small charge for all of these clubs, the costs are available through the school office.

Clubs which take place on school premises but are run by external providers will set their own charges. Any queries regarding these activities must be taken up with the external providers and not with school.

3. Breakages

The school will cover accidental breakages of school property.

4. Other Charges

Dinner Monies: Timely payment of dinner monies should be made in line with school's schedule. Details are available from the school office. Where there is a change of home circumstances and pupils become entitled to free school meals, it is the responsibility of the parents to inform school as soon as possible to avoid over paying money. In cases where payment has already been received for and a subsequent new claim for free school meals is backdated, school will only reimburse one week's worth of payments.

Staff Overpayments

Wherever a salary or expenses overpayment has occurred, the Governing Body will decide on a case-by-case basis whether recovery of the overpayment will be sought.

The Head Teacher (Mrs Penny Derries), Mr Laurence Pearson (Chair of Finance Committee) or Mr Robert Curry (CHAIR OF GOVERNORS) may levy charges for miscellaneous services up to the cost of providing services, e.g. for printing / providing a copy of a report/ policy.

The school charging policy will be subject to change if there are new DFE or Northumberland directives.
