

Intimate Care

Date	Review Date	Coordinator	Nominated Governor
July 2015	July 2016	Mrs Derries	

We believe intimate care is any activity such as feeding, oral care, washing, changing clothes, toileting, first aid and medical assistance, comforting and support, and supervising intimate self-care that is required to meet the personal needs of a child regularly or during a one-off incident.

We have a duty to safeguard children and school personnel at all times. We must develop independence in each child but on those occasions when children need assistance they must feel safe, have personal privacy, feel valued, are treated with dignity and respect, are involved and consulted about their own intimate care with school personnel that are specially trained in intimate care procedures.

We treat every child as an individual treating them gently and sensitively as possible.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
