and
Whalton C of E Schools**

Online Safety Policy

Key Details

**Designated Safeguarding Lead (s): Nichola Brannen
with Joanne Campbell for Longhorsley and Penny Elliott for Whalton
Named Governor with lead responsibility: Pam Walker**

Date written: June 2019

Date agreed and ratified by Governing Body: October 2019

Date of next review: June 2020

This policy will be reviewed at least annually.
It will also be revised following any concerns and/or updates to national
and local guidance or procedure

The Federation of Longhorsley and Whalton C of E Schools Online Safety Policy

1. Policy Aims

- This online safety policy has been written by The Federation of Longhorsley and Whalton C of E Schools, involving staff, learners and parents/carers, building on the The Education People online safety policy template, with specialist advice and input as required.
- It takes into account the DfE statutory guidance '[Keeping Children Safe in Education](#)' 2018, [Early Years and Foundation Stage](#) 2017 '[Working Together to Safeguard Children](#)' 2018 and the [Northumberland Safeguarding Children Board](#) procedures.
- The purpose of The Federation of Longhorsley and Whalton C of E Schools online safety policy is to:
 - Safeguard and protect all members of The Federation of Longhorsley and Whalton C of E Schools community online.
 - Identify approaches to educate and raise awareness of online safety throughout the community.
 - Enable all staff to work safely and responsibly, to role model positive behaviour online and to manage professional standards and practice when using technology.
 - Identify clear procedures to use when responding to online safety concerns.
- The Federation of Longhorsley and Whalton C of E Schools identifies that the issues classified within online safety are considerable, but can be broadly categorised into three areas of risk:
 - **Content:** being exposed to illegal, inappropriate or harmful material
 - **Contact:** being subjected to harmful online interaction with other users
 - **Conduct:** personal online behaviour that increases the likelihood of, or causes, harm.

2. Policy Scope

- The Federation of Longhorsley and Whalton C of E Schools believes that online safety is an essential part of safeguarding and acknowledges its duty to ensure that all learners and staff are protected from potential harm online.
- The Federation of Longhorsley and Whalton C of E Schools identifies that the internet and associated devices, such as computers, tablets, mobile phones and games consoles, are an important part of everyday life.
- The Federation of Longhorsley and Whalton C of E Schools believes that learners should be empowered to build resilience and to develop strategies to manage and respond to risk online.
- This policy applies to all staff including the governing body, leadership team, teachers, support staff, external contractors, visitors, volunteers and other individuals who work for, or provide services on behalf of the setting (collectively referred to as "staff" in this policy) as well as learners, parents and carers.
- This policy applies to all access to the internet and use of technology, including personal devices, or where learners, staff or other individuals have been provided with setting issued devices for use off-site, such as a work laptops, tablets or mobile phones.

2.2 Links with other policies and practices

This policy links with several other policies, practices and action plans including:

- Anti-bullying policy
- Acceptable Use Policies (AUP) and/or the Code of conduct/staff behaviour policy
- Good Behaviour policy
- Child Protection policy
- Confidentiality policy
- Personal Social and Health Education (PSHE) Policy
- Data security
- Image use consent
- Mobile phone policy

3. Monitoring and Review

- Technology in this area evolves and changes rapidly. The Federation of Longhorsley and Whalton C of E Schools will review this policy at least annually.
 - The policy will also be revised following any national or local policy requirements, any child protection concerns or any changes to the technical infrastructure
- We will regularly monitor internet use and evaluate online safety mechanisms to ensure that this policy is consistently applied.
- To ensure they have oversight of online safety, the Executive Headteacher will be informed of online safety concerns, as appropriate.
- The governing body will receive updates on a termly basis about online safety practice and incidents unless a serious concerns needs dealing with sooner.
- Any issues identified via monitoring will be incorporated into our action planning.

4. Roles and Responsibilities

- The Designated Safeguarding Lead (DSL) (Nichola Brannen, Executive Headteacher; with Joanne Campbell – deputy DSL for Longhorsley and Penny Elliott - deputy DSL for Whalton) has lead responsibility for online safety. (*Note: Whilst activities of the designated safeguarding lead may be delegated to an appropriately trained deputy, overall the ultimate lead responsibility for safeguarding and child protection, including online safety remains with the DSL.*)
- The Federation of Longhorsley and Whalton C of E Schools recognises that all members of the community have important roles and responsibilities to play with regards to online safety.

4.1 The leadership and management team will:

- Ensure that online safety is viewed as a safeguarding issue and that practice is in line with national and local recommendations and requirements.
- Ensure there are appropriate and up-to-date policies regarding online safety; including a staff code of conduct/behaviour policy and acceptable use policy, which covers acceptable use of technology.

- Ensure that suitable and appropriate filtering and monitoring systems are in place and work with technical staff to monitor the safety and security of our systems and networks.
- Ensure that online safety is embedded within a progressive curriculum, which enables all learners to develop an age-appropriate understanding of online safety.
- Support the DSL and any deputies by ensuring they have sufficient time and resources to fulfil their online safety responsibilities.
- Ensure there are robust reporting channels for the community to access regarding online safety concerns, including internal, local and national support.
- Ensure that appropriate risk assessments are undertaken regarding the safe use of technology.
- Audit and evaluate online safety practice to identify strengths and areas for improvement.

4.2 The Designated Safeguarding Lead (DSL) will:

- Act as a named point of contact on all online safeguarding issues and liaise with other members of staff or other agencies, as appropriate.
- Work alongside deputy DSLs to ensure online safety is recognised as part of the staff's safeguarding responsibilities and that a coordinated approach is implemented.
- Ensure all members of staff receive regular, up-to-date and appropriate online safety training.
- Access regular and appropriate training and support to ensure they understand the unique risks associated with online safety and have the relevant knowledge and up to date required to keep learners safe online.
- Access regular and appropriate training and support to ensure they recognise the additional risks that learners with SEN and disabilities (SEND) face online.
- Keep up-to-date with current research, legislation and trends regarding online safety and communicate this with the community, as appropriate.
- Work with staff to coordinate participation in local and national events to promote positive online behaviour, such as Safer Internet Day.
- Ensure that online safety is promoted to parents, carers and the wider community, through a variety of channels and approaches.
- Maintain records of online safety concerns, as well as actions taken, as part of the schools' safeguarding recording mechanisms.
- Monitor online safety incidents to identify gaps and trends, and use this data to update the education response, policies and procedures.
- Report online safety concerns, as appropriate, to the school's management team.
- Work with the leadership team to review and update online safety policies on a regular basis (at least annually).
- Meet termly with the governor with lead responsibility for safeguarding and online safety.

4.3 It is the responsibility of all members of staff to:

- Contribute to the development of online safety policies.
- Read and adhere to the online safety policy and acceptable use policies.
- Take responsibility for the security of setting systems and the data they use or have access to.

- Model good practice when using technology and maintain a professional level of conduct in their personal use of technology, both on and off site.
- Embed online safety education in curriculum delivery, wherever possible.
- Have an awareness of a range of online safety issues and how they may be experienced by the children in their care.
- Identify online safety concerns and take appropriate action by following the schools' safeguarding policies and procedures.
- Know when and how to escalate online safety issues, including signposting to appropriate support, internally and externally.
- Take personal responsibility for professional development in this.

4.4 It is the responsibility of staff managing the technical environment to:

- Provide technical support and perspective to the DSL and leadership team, especially in the development and implementation of appropriate online safety policies and procedures.
- Implement appropriate security measures as directed by the leadership team to ensure that the settings IT infrastructure/system is secure and not open to misuse or malicious attack, whilst allowing learning opportunities to be maximised.
- Ensure that our filtering policy is applied and updated on a regular basis; responsibility for its implementation is shared with the leadership team.
- Ensure that our monitoring systems are applied and updated on a regular basis; responsibility for its implementation is shared with the leadership team
- Ensure appropriate access and technical support is given to the DSL (and/or deputy) to our filtering and monitoring systems, to enable them to take appropriate safeguarding action if/when required.

4.5 It is the responsibility of learners (at a level that is appropriate to their individual age and ability) to:

- Engage in age appropriate online safety education opportunities.
- Contribute to the development of online safety policies.
- Read and adhere to the acceptable use policies.
- Respect the feelings and rights of others both on and offline.
- Take responsibility for keeping themselves and others safe online.
- Seek help from a trusted adult, if there is a concern online, and support others that may be experiencing online safety issues.

4.6 It is the responsibility of parents and carers to:

- Read the acceptable use policies and encourage their children to adhere to them.
- Support our online safety approaches by discussing online safety issues with their children and reinforcing appropriate and safe online behaviours at home.
- Role model safe and appropriate use of technology and social media.
- Abide by the home-school agreement and acceptable use policies.
- Identify changes in behaviour that could indicate that their child is at risk of harm online.

- Seek help and support from school, or other appropriate agencies, if they or their child encounter risk or concerns online.
- Contribute to the development of the online safety policies.
- Use our systems, such as learning platforms, and other network resources, safely and appropriately.
- Take responsibility for their own awareness in relation to the risks and opportunities posed by new and emerging technologies.

5. Education and Engagement Approaches

5.1 Education and engagement with learners

- The schools will establish and embed a progressive online safety curriculum to raise awareness and promote safe and responsible internet use amongst learners by:
 - Ensuring education regarding safe and responsible use precedes internet access.
 - Including online safety in Personal, Social, Health and Economic (PSHE) and computing programmes of study (for example: Digi Duck; Smartie Penguin; Hector's World; Kara and the Smart Crew; Thinkuknow; Digital Literacy).
 - Reinforcing online safety messages whenever technology or the internet is in use.
 - Educating learners in the effective use of the internet to research; including the skills of knowledge location, retrieval and evaluation.
 - Teaching learners to be critically aware of the materials they read and shown how to validate information before accepting its accuracy.
- The schools will support learners to read and understand the acceptable use policies in a way which suits their age and ability by:
 - Displaying acceptable use posters in all rooms with internet access.
 - Informing learners that network and internet use will be monitored for safety and security purposes and in accordance with legislation.
 - Rewarding positive use of technology (eg Headteacher's Award; marbles; stamps)
 - Providing online safety education and training as part of the transition programme across the key stages and when moving between establishments.
 - Seeking learner voice when writing and developing online safety policies and practices, including curriculum development and implementation.
 - Using support, such as external visitors, where appropriate, to complement and support our internal online safety education approaches.

5.2 Vulnerable Learners

- The Federation of Longhorsley and Whalton C of E Schools recognises that some learners are more vulnerable online due to a range of factors. This may include, but is not limited to children in care, children with Special Educational Needs and Disabilities (SEND) or mental health needs, children with English as an additional language (EAL) and children experiencing trauma or loss.
- The Federation of Longhorsley and Whalton C of E Schools will ensure that differentiated and ability appropriate online safety education, access and support is provided to vulnerable

learners. When implementing an appropriate online safety policy and curriculum The Federation of Longhorsley and Whalton C of E Schools will seek input from specialist staff as appropriate, including the SENCO, Child in Care Designated Teacher. The SENDCo for The Federation of Longhorsley and Walton C of E Schools is Mrs Joanne Campbell).

5.3 Training and engagement with staff

We will:

- Provide and discuss the online safety policy and procedures with all members of staff as part of induction.
- Provide up-to-date and appropriate online safety training for all staff on a regular basis, with at least annual updates.
 - This will happen in staff meetings and on an annual basis, or sooner if needed
 - This will cover the potential risks posed to learners (Content, Contact and Conduct) as well as our professional practice expectations.
- Recognise the expertise staff build by undertaking safeguarding training and managing safeguarding concerns and provide opportunities for staff to contribute to and shape online safety policies and procedures.
- Make staff aware that our IT systems are monitored, and that activity can be traced to individual users; staff will be reminded to behave professionally and in accordance with our policies when accessing our systems and devices.
- Make staff aware that their online conduct outside of the schools, including personal use of social media, could have an impact on their professional role and reputation.
- Highlight useful educational resources and tools which staff should use, according to the age and ability of the learners.
- Ensure all members of staff are aware of the procedures to follow regarding online safety concerns affecting learners, colleagues or other members of the community.

5.4 Awareness and engagement with parents and carers

- The Federation of Longhorsley and Whalton C of E Schools recognises that parents and carers have an essential role to play in enabling children and young people to become safe and responsible users of the internet and associated technologies.
- We will build a partnership approach to online safety with parents and carers by:
 - Providing information and guidance on online safety in a variety of formats.
 - This will include offering specific online safety awareness training and highlighting online safety at other events such as parent evenings and transition events.
 - Drawing their attention to the online safety policy and expectations in newsletters, letters and on our website.
 - Signpost online safety information as part of joining our community.
 - Requiring them to read our acceptable use policies and discuss the implications with their children.

6. Reducing Online Risks

- The Federation of Longhorsley and Whalton C of E Schools recognises that the internet is a constantly changing environment with new apps, devices, websites and material emerging at a rapid pace.
- We will:
 - Regularly review the methods used to identify, assess and minimise online risks.
 - Examine emerging technologies for educational benefit and undertake appropriate risk assessments before use in the schools is permitted.
 - Ensure that appropriate filtering and monitoring is in place and take all reasonable precautions to ensure that users can only access appropriate material.
 - Due to the global and connected nature of the internet, it is not possible to guarantee that unsuitable material cannot be accessed via our computers or devices.
- All members of the community are made aware of our expectations regarding safe and appropriate behaviour online and the importance of not posting any content, comments, images or videos which could cause harm, distress or offence to members of the community. This is clearly outlined in our acceptable use policies and highlighted through a variety of education and training approaches.

7. Safer Use of Technology

7.1 Classroom Use

- The Federation of Longhorsley and Whalton C of E Schools uses a wide range of technology. This includes access to:
 - computers, laptops and ipads
 - internet which may include search engines and educational websites
 - learning platform/intranet
 - email
 - digital cameras, web cams and video cameras
- All schools' owned devices will be used in accordance with our acceptable use policies and with appropriate safety and security measures in place.
 - Lightspeed Filtering is in place on ipads and users have to log into the ipads for monitoring and filtering
 - Forensic software, eg SENSO / PCE is installed on all laptops and pcs for web monitoring purposes
- Members of staff will always evaluate websites, tools and apps fully before use in the classroom or recommending for use at home.
- The schools will use age appropriate search tools following an informed risk assessment, to identify which tool best suits the needs of our community
 - Google safesearch.
- We will ensure that the use of internet-derived materials, by staff and learners complies with copyright law and acknowledge the source of information.

- Supervision of learners will be appropriate to their age and ability.
 - **Early Years Foundation Stage and Key Stage 1**
 - Access to the internet will be by adult demonstration, with occasional directly supervised access to specific and approved online materials, which supports the learning outcomes planned for the learners age and ability.
 - **Key Stage 2**
 - Learners will use age-appropriate search engines and online tools.
 - Learners will be directed by the teacher to online materials and resources which support the learning outcomes planned for the learners age and ability.

7.2 Managing Internet Access

- We will maintain a written record of users who are granted access to our devices and systems.
- All staff, learners and visitors will read and sign an acceptable use policy before being given access to our computer system, IT resources or internet.

7.3 Filtering and Monitoring

SENSO / PCE is the adopted monitoring system for Northumberland and Lightspeed Filtering screens the web traffic.

7.3.1 Decision Making

- The Federation of Longhorsley and Whalton C of E Schools' leaders have ensured that our schools have age and ability appropriate filtering and monitoring in place, to limit learners exposure to online risks.
- The governors and leaders are aware of the need to prevent "over blocking", as that may unreasonably restrict what can be taught, with regards to online activities and safeguarding.
- Our decision regarding filtering and monitoring has been informed by a risk assessment, considering our specific needs and circumstances.
- Changes to the filtering and monitoring approach will be risk assessed by staff with educational and technical experience and, where appropriate, with consent from the leadership team; all changes to the filtering policy are logged and recorded.
- The leadership team will ensure that regular checks are made to ensure that the filtering and monitoring methods are effective and appropriate.
- All members of staff are aware that they cannot rely on filtering and monitoring alone to safeguard learners; effective classroom management and regular education about safe and responsible use is essential.

7.3.2 Filtering

- Education broadband connectivity is provided through Northumberland County Council's SLA
- We use Lightspeed Filtering which blocks sites which can be categorised as: pornography, racial hatred, extremism, gaming and sites of an illegal nature.
- The filtering system blocks all sites on the [Internet Watch Foundation](#) (IWF) list.
- Northumberland County Council ensures that our filtering policy is continually reviewed.

- If learners discover unsuitable sites, they will be required to:
 - Cover the screen and tell their appropriate adult/teacher
 - The member of staff will report the concern (including the URL of the site if possible) to the DSL (or deputy) and/or technical staff.
 - The breach will be recorded and escalated as appropriate.
 - Parents/carers will be informed of filtering breaches involving their child.
- Any material believed to be illegal will be reported immediately to the appropriate agencies, such as the IWF or CEOP.

7.3.4 Monitoring

- We will appropriately monitor internet use on all schools owned or provided internet enabled devices. This is achieved by:
 - physical monitoring (supervision), monitoring internet and web access (using forensic online reports)
- If a concern is identified via monitoring approaches we will: Inform the e-Safety Officer and follow NCC's e-Safety Flow Chart to decide what action may be necessary. All users will be informed that use of our systems can be monitored and that all monitoring will be in line with data protection, human rights and privacy legislation.

7.4 Managing Personal Data Online

- Personal data will be recorded, processed, transferred and made available online in accordance with General Data Protection Regulations and Data Protection legislation.
 - Full information can be found in the GDPR section on our websites.

7.5 Security and Management of Information Systems

- We take appropriate steps to ensure the security of our information systems, including:
 - Virus protection being updated regularly.
 - Encryption for personal data sent over the internet or taken off site (such as via portable media storage) or access via appropriate secure remote access systems.
 - Not using portable media without specific permission; portable media will be checked by an anti-virus /malware scan before use.
 - Not downloading unapproved software to work devices or opening unfamiliar email attachments.
 - Regularly checking files held on our network,
 - The appropriate use of user logins and passwords to access our network.
 - Specific user logins and passwords will be enforced for all
 - All users are expected to log off or lock their screens/devices if systems are unattended.

7.5.1 Password policy

- All members of staff will have their own unique username and private passwords to access our systems; members of staff are responsible for keeping their password private.

- From Reception, all learners are provided with their own unique user name and private passwords to access our systems; learners are responsible for keeping their password private.
- We require all users to:
 - Use strong passwords for access into our system.
 - Change their passwords regularly.
 - Always keep their password private; users must not share it with others or leave it where others can find it.
 - Not to login as another user at any time.

7.6 Managing the Safety of our Website

- We will ensure that information posted on our website meets the requirements as identified by the Department for Education (DfE).
- We will ensure that our website complies with guidelines for publications including: accessibility; data protection; privacy policies and copyright.
- Staff or learners personal information will not be published on our website; the contact details on the website will be our schools' addresses, emails and telephone numbers.
- The administrator account for our website will be secured with an appropriately strong password.
- We will post appropriate information about safeguarding, including online safety, on our website for members of the community.

7.7 Publishing Images and Videos Online

- We will ensure that all images and videos shared online are used in accordance with the parental consents and associated policies, including (but not limited to) the: cameras and image use, data security, acceptable use policies, codes of conduct/behaviour and use of personal devices and mobile phones.

7.8 Managing Email

- Access to our email systems will always take place in accordance with data protection legislation and in line with other policies, including confidentiality, acceptable use policies and the code of conduct/behaviour policy.
 - The forwarding of any chain messages/emails is not permitted.
 - Spam or junk mail will be blocked and reported to the email provider.
 - Any electronic communication which contains sensitive or personal information will only be sent using secure and encrypted email or through Google Drive
 - Schools' email addresses and other official contact details will not be used for setting up personal social media accounts.
- Members of the community will immediately tell Joanne Campbell / Gillian McEwan (Longhorsley) and Penny Elliott (Whalton) if they receive offensive communication, and this will be recorded in our safeguarding files/records.
- Excessive social email use can interfere with teaching and learning and will be restricted; access to external personal email accounts may be blocked on site.

- Children will not be given full names in emails but referred to by their initials.

7.8.1 Staff email

- The use of personal email addresses by staff for any official schools' business is not permitted.
 - All members of staff are provided with an email address to use for all official communication.
- Members of staff are encouraged to have an appropriate work life balance when responding to email, especially if communication is taking place between staff, learners and parents.

7.8.2 Learner email

- Learners will use provided email accounts for educational purposes.
- Learners will sign an acceptable use policy and will receive education regarding safe and appropriate email etiquette before access is permitted.
- Whole-class or group email addresses may be used for communication outside of the schools.

7.9 Educational use of Video conferencing and/or Webcams

- The Federation of Longhorsley and Whalton C of E Schools recognises that video conferencing and/or use of webcams can be a challenging activity but brings a wide range of learning benefits.
 - All video conferencing and webcam equipment will be switched off when not in use and will not be set to auto-answer.
 - Video conferencing contact details will not be posted publically.
 - Video conferencing equipment will not be taken off the premises without prior permission from the DSL.
 - Staff will ensure that external video conferencing opportunities and/or tools are suitably risk assessed and will ensure that accounts and systems used to access these events are safe and secure.
 - Video conferencing equipment and webcams will be kept securely and, if necessary, locked away or disabled when not in use.

7.9.1 Users

- Parents/carers consent will be obtained prior to learners taking part in video conferencing activities.
- Learners will ask permission from a member of staff before making or answering a video conference call or message.
- Video conferencing will be supervised appropriately, according to the learners age and ability.
- Video conferencing will take place via official and approved communication channels following a robust risk assessment.
- Only key administrators will be given access to video conferencing administration areas or remote-control pages.
- The unique log on and password details for the video conferencing services will only be issued to members of staff and should be kept securely, to prevent unauthorised access.

7.9.2 Content

- When recording a video conference lesson, it should be made clear to all parties at the start of the conference and written permission will be obtained from all participants; the reason for the recording must be given and recorded material will be stored securely.
- If third party materials are included, we will check that recording is permitted to avoid infringing the third-party intellectual property rights.
- We will establish dialogue with other conference participants before taking part in a video conference; if it is a non-educational site, staff will check that the material they are delivering is appropriate for the learners.

7.10 Management of Learning Platforms

- The Federation of Longhorsley and Whalton C of E Schools uses School360 as its official learning platform.
- Leaders and staff will regularly monitor the usage of the Learning Platform (LP), including message/communication tools and publishing facilities.
- Only current members of staff, learners and parents will have access to the LP.
- When staff and learners leave the schools, their account will be disabled or transferred to their new establishment.
- Learners and staff will be advised about acceptable conduct and use when using the LP.
- All users will be mindful of copyright and will only upload appropriate content onto the LP.
- Any concerns about content on the LP will be recorded and dealt with in the following ways:
 - The user will be asked to remove any material deemed to be inappropriate or offensive.
 - If the user does not comply, the material will be removed by the site administrator.
 - Access to the LP for the user may be suspended.
 - The user will need to discuss the issues with a member of leadership before reinstatement.
 - A learner's parents/carers may be informed.
 - If the content is illegal, we will respond in line with existing child protection procedures.
- Learners may require editorial approval from a member of staff. This may be given to the learner to fulfil a specific aim and may have a limited time frame.
- A visitor may be invited onto the LP by a member of the leadership; in this instance, there may be an agreed focus or a limited time slot.

7.11 Management of Applications (apps) used to Record Children's Progress

- We use 'Tapestry' to track learners progress and share appropriate information with parents and carers.
- The Executive Headteacher is ultimately responsible for the security of any data or images held of children. As such, they will ensure that the use of tracking systems is appropriately risk assessed prior to use, and that they are used in accordance with data protection legislation, including the General Data Protection Regulations (GDPR) and Data Protection legislation.

- To safeguard learners data:
 - Only learner issued devices will be used for apps that record and store learners personal details, attainment or photographs.
 - Personal staff mobile phones or devices will not be used to access or upload content to any apps which record and store learners personal details, attainment or images.
 - Devices will be appropriately encrypted if taken off site, to reduce the risk of a data security breach, in the event of loss or theft.
 - All users will be advised regarding safety measures, such as using strong passwords and logging out of systems.
 - Parents and carers will be informed of the expectations regarding safe and appropriate use, prior to being given access; for example, not sharing passwords or images.

8. Social Media

8.1 Expectations

- The expectations regarding safe and responsible use of social media applies to all members of The Federation of Longhorsley and Whalton C of E Schools community.
- The term social media may include (but is not limited to): blogs; wikis; social networking sites; forums; bulletin boards; online gaming; apps; video/photo sharing sites; chatrooms and instant messenger.
- All members of The Federation of Longhorsley and Whalton C of E Schools community are expected to engage in social media in a positive, safe and responsible manner.
 - All members of The Federation of Longhorsley and Whalton C of E Schools community are advised not to publish specific and detailed private thoughts, concerns, pictures or messages on any social media services, about the school community that may be considered threatening, hurtful or defamatory to the schools and the schools' community.
- We will control learner and staff access to social media whilst using schools' provided devices and systems on site.
 - The use of social media during schools hours for personal use is not permitted.
 - Inappropriate use of social media during schools hours or whilst using schools devices may result in disciplinary or legal action and/or removal of internet facilities.
- Concerns regarding the online conduct of any member of The Federation of Longhorsley and Whalton C of E Schools community on social media, should be reported to the DSL and will be managed in accordance with our anti-bullying, complaints, behaviour and child protection policies.

8.2 Staff Personal Use of Social Media

- The safe and responsible use of social networking, social media and personal publishing sites will be discussed with all members of staff as part of staff induction and will be revisited and communicated via regular staff training opportunities.
- Safe and professional behaviour will be outlined for all members of staff (including volunteers) as part of our code of conduct/behaviour policy as part of acceptable use policy.

Reputation

- All members of staff are advised that their online conduct on social media can have an impact on their role and reputation within the schools.
 - Civil, legal or disciplinary action may be taken if staff are found to bring the profession or institution into disrepute, or if something is felt to have undermined confidence in their professional abilities.
- All members of staff are advised to safeguard themselves and their privacy when using social media sites. Advice will be provided to staff via staff training and by sharing appropriate guidance and resources on a regular basis. This will include (but is not limited to):
 - Setting the privacy levels of their personal sites.
 - Being aware of location sharing services.
 - Opting out of public listings on social networking sites.
 - Logging out of accounts after use.
 - Keeping passwords safe and confidential.
 - Ensuring staff do not represent their personal views as that of the schools.
- Members of staff are encouraged not to identify themselves as employees of 'The Federation of Longhorsley and Whalton C of E Schools' on their personal social networking accounts; this is to prevent information on these sites from being linked with the schools, and to safeguard the privacy of staff members.
- All members of staff are encouraged to carefully consider the information, including text and images, they share and post online and to ensure that their social media use is compatible with their professional role and is in accordance our policies and the wider professional and legal framework.
- Information and content that staff members have access to as part of their employment, including photos and personal information about learners and their family members or colleagues will not be shared or discussed on social media sites.
- Members of staff will notify the Leadership Team immediately if they consider that any content shared on social media sites conflicts with their role.

Communicating with learners and parents and carers

- All members of staff are advised not to communicate with or add as 'friends' any current or past learners or their family members via any personal social media sites, applications or profiles.
 - Any pre-existing relationships or exceptions that may compromise this, will be discussed with the Executive Headteacher.
 - If ongoing contact with learners is required once they have left the schools, members of staff will be expected to use existing alumni networks or use official schools provided communication tools.
- Staff will not use personal social media accounts to contact learners or parents, nor should any contact be accepted, except in circumstance whereby prior approval has been given by the Executive Headteacher.
- Any communication from learners and parents received on personal social media accounts will be reported to the DSL (or deputy).

8.3 Learners Personal Use of Social Media

- Safe and appropriate use of social media will be taught to learners as part of an embedded and progressive education approach, via age appropriate sites and resources.
- Any concerns regarding learners use of social media will be dealt with in accordance with existing policies, including anti-bullying and behaviour.
 - Concerns will be shared with parents/carers as appropriate, particularly when concerning underage use of social media sites, games or tools.
- Learners will be advised:
 - To consider the benefits and risks of sharing personal details on social media sites which could identify them and/or their location.
 - To only approve and invite known friends on social media sites and to deny access to others by making profiles private.
 - Not to meet any online friends without a parent/carer or other responsible adult's permission and only when a trusted adult is present.
 - To use safe passwords.
 - To use social media sites which are appropriate for their age and abilities.
 - How to block and report unwanted communications.
 - How to report concerns both within the schools and externally.

8.4 Official Use of Social Media

- The Federation of Longhorsley and Whalton C of E Schools official social media channels are:
 - Twitter link; Facebook page link in process of being created
- The official use of social media sites only takes place with clear educational or community engagement objectives, with specific intended outcomes.
 - The official use of social media as a communication tool has been formally risk assessed and approved by the Executive Headteacher.
 - Leadership staff have access to account information and login details for our social media channels, in case of emergency, such as staff absence.
- Official social media channels have been set up as distinct and dedicated social media sites or accounts for educational or engagement purposes only.
 - Staff use schools provided email addresses to register for and manage any official social media channels.
 - Official social media sites are suitably protected and, where possible, run or are linked to, our website.
 - Public communications on behalf of the schools will, where appropriate and possible, be read and agreed by at least one other colleague.
- Official social media use will be conducted in line with existing policies, including: anti-bullying, image/camera use, data protection, confidentiality and child protection.
 - All communication on official social media platforms will be clear, transparent and open to scrutiny.
- Parents/carers and learners will be informed of any official social media use, along with expectations for safe use and action taken to safeguard the community.

- Only social media tools which have been risk assessed and approved as suitable for educational purposes will be used.
- Parents and carers will be informed of any official social media use with learners; written parental consent will be obtained, as required.

Staff expectations

- Members of staff who follow and/or like our official social media channels will be advised to use dedicated professional accounts, where possible, to avoid blurring professional boundaries.
- If members of staff are participating in online social media activity as part of their capacity as an employee of the schools, they will:
 - Always be professional and aware they are an ambassador for the schools.
 - Always be responsible, credible, fair and honest, and consider how the information being published could be perceived or shared.
 - Always act within the legal frameworks they would adhere to within the workplace, including: libel, defamation, confidentiality, copyright, data protection and equalities laws.
 - Ensure that they have appropriate consent before sharing images on the official social media channel.
 - Not disclose information, make commitments or engage in activities on behalf of the schools, unless they are authorised to do so.
 - Not engage with any direct or private messaging with current, or past, learners, parents and carers.
 - Inform their line manager, the DSL (or deputy) and/or the Executive Headteacher of any concerns, such as criticism, inappropriate content or contact from learners.

9. Use of Personal Devices and Mobile Phones

- The Federation of Longhorsley and Whalton C of E Schools recognises that personal communication through mobile technologies is an accepted part of everyday life for learners, staff and parents/carers, but technologies need to be used safely and appropriately within the schools.

9.1 Expectations

- All use of personal devices (including but not limited to; tablets, games consoles and 'smart' watches) and mobile phones will take place in accordance with the law and other appropriate policies, such as anti-bullying, behaviour and child protection.
- Electronic devices of any kind that are brought onto site are the responsibility of the user.
 - All members of The Federation of Longhorsley and Whalton C of E Schools community are advised to take steps to protect their mobile phones or devices from loss, theft or damage; we accept no responsibility for the loss, theft or damage of such items on our premises.

- All members of The Federation of Longhorsley and Whalton C of E Schools community are advised to use passwords/pin numbers to ensure that unauthorised calls or actions cannot be made on their phones or devices; passwords and pin numbers should be kept confidential and mobile phones and personal devices should not be shared.
- Mobile phones and personal devices are only permitted to be used in the staffroom or office at set break times unless there is an emergency.
- The sending of abusive or inappropriate messages or content via mobile phones or personal devices is forbidden by any member of the community; any breaches will be dealt with as part of our behaviour policy and code of conduct policy.
- All members of The Federation of Longhorsley and Whalton C of E Schools community are advised to ensure that their mobile phones and personal devices do not contain any content which may be offensive, derogatory or would otherwise contravene our behaviour or child protection policies.

9.2 Staff Use of Personal Devices and Mobile Phones

- Members of staff will ensure that use of personal phones and devices takes place in accordance with the law, as well as, relevant policy and procedures, such as: confidentiality, child protection, data security and acceptable use.
- Staff will be advised to:
 - Keep mobile phones and personal devices in the staffroom or office during lesson time.
 - Ensure that Bluetooth or other forms of communication (such as 'airdrop') are hidden or disabled.
 - Not use personal devices during teaching periods, unless written permission has been given by the Executive Headteacher, such as in emergency circumstances.
 - Ensure that any content brought onto site via mobile phones and personal devices are compatible with their professional role and expectations.
- Members of staff are not permitted to use their own personal phones or devices for contacting learners or parents and carers.
 - Any pre-existing relationships, which could undermine this, will be discussed with the DSL (or deputy) and Executive Headteacher.
- Staff will not use personal devices:
 - To take photos or videos of learners and will only use work-provided equipment for this purpose.
 - Directly with learners and will only use work-provided equipment during lessons/educational activities.
- If a member of staff breaches our policy, action will be taken in line with our code of conduct/staff behaviour and allegations policy
 - If a member of staff is thought to have illegal content saved or stored on a mobile phone or personal device or have committed a criminal offence, the police will be contacted.

9.3 Learners Use of Personal Devices and Mobile Phones

- Learners will be educated regarding the safe and appropriate use of personal devices and mobile phones and will be made aware of boundaries and consequences.
- The Federation of Longhorsley and Whalton C of E Schools expects learners personal devices and mobile phones to be stored in the schools offices during school hours.
- If a learner needs to contact his/her parents or carers they will be allowed to use a schools phone.
 - Parents are advised to contact their child via the schools offices, if needed
- If a learner breaches the policy, the phone or device will be confiscated and will be held in a secure place.
 - Staff may confiscate a learner's mobile phone or device if they believe it is being used to contravene our behaviour or bullying policy or could contain youth produced sexual imagery (sexting). See : www.gov.uk/government/publications/searching-screening-and-confiscation)
 - Mobile phones and devices that have been confiscated will be released to parents or carers at the end of the school day.
 - If there is suspicion that material on a learner's personal device or mobile phone may be illegal or may provide evidence relating to a criminal offence, the device will be handed over to the police for further investigation.

9.4 Visitors' Use of Personal Devices and Mobile Phones

- We will ensure appropriate signage and information is displayed and provided to inform parents, carers and visitors of expectations of use.
- Visitors (including volunteers and contractors) who do not need to use their mobile phones while on site are requested to turn them off.
- Visitors, including contractors, who need to use them in accordance with their job can use their devices only in accordance with our acceptable use policy and other associated policies
- Members of staff are expected to challenge visitors if they have concerns and will always inform the DSL (or deputy) or Executive Headteacher of any breaches our policy.

10. Responding to Online Safety Incidents and Concerns

- All members of the community will be made aware of the reporting procedure for online safety concerns, including: breaches of filtering, youth produced sexual imagery (sexting), cyberbullying and illegal content.
- All members of the community must respect confidentiality and the need to follow the official procedures for reporting concerns.
 - Learners, parents and staff will be informed of our complaints procedure and staff will be made aware of the whistleblowing procedure.
- We require staff, parents, carers and learners to work in partnership to resolve online safety issues.
- After any investigations are completed, we will debrief, identify lessons learned and implement any policy or curriculum changes as required.

- If we are unsure how to proceed with an incident or concern, the DSL (or deputy) will seek advice from the e-Safety Department at NCC.
- Where there is suspicion that illegal activity has taken place, we will contact the NSCB or Northumbria Police using 101, or 999 if there is immediate danger or risk of harm.
- If an incident or concern needs to be passed beyond our community (for example if other local schools are involved or the public may be at risk), the DSL or Executive Headteacher will speak with Northumbria Police and/or the NSCB first to ensure that potential investigations are not compromised.

10.1 Concerns about Learners Welfare

- The DSL (or deputy) will be informed of any online safety incidents involving safeguarding or child protection concerns.
 - The DSL (or deputy) will record these issues in line with our child protection policy.
- The DSL (or deputy) will ensure that online safety concerns are escalated and reported to relevant agencies in line with the NSCB thresholds and procedures.
- We will inform parents and carers of online safety incidents or concerns involving their child, as and when required.

10.2 Staff Misuse

- Any complaint about staff misuse will be referred to the Executive Headteacher in accordance with the allegations policy.
- Any allegations regarding a member of staff's online conduct will be discussed with the LADO (Local Authority Designated Officer).
- Appropriate action will be taken in accordance with our staff behaviour policy/code of conduct.

11. Procedures for Responding to Specific Online Incidents or Concerns

11.1 Online Sexual Violence and Sexual Harassment between Children

- Our schools have accessed and understood "[Sexual violence and sexual harassment between children in schools and colleges](#)" (2018) guidance and part 5 of 'Keeping children safe in education' 2018.
- The Federation of Longhorsley and Whalton C of E Schools recognises that sexual violence and sexual harassment between children can take place online. Examples may include; non-consensual sharing of sexual images and videos, sexualised online bullying, online coercion and threats, unwanted sexual comments and messages on social media, and online sexual exploitation.
 - Full details of how we will respond to concerns relating to sexual violence and sexual harassment between children can be found within our child protection and anti-bullying policy.

- The Federation of Longhorsley and Whalton C of E Schools recognises that internet brings the potential for the impact of any sexual violence and sexual harassment concerns to extend further than the local community, and for a victim or alleged perpetrator to become marginalised and excluded by online communities.
- The Federation of Longhorsley and Whalton C of E Schools also recognises the potential for repeat victimisation in the future if abusive content continues to exist somewhere online.
- The Federation of Longhorsley and Whalton C of E Schools will ensure that all members of the community are made aware of the potential social, psychological and criminal consequences of online sexual violence and sexual harassment between children by implementing a range of age and ability appropriate educational methods as part of our PSHE curriculum.
- We will ensure that all members of the community are aware of sources of support regarding online sexual violence and sexual harassment between children.
- We will respond to concerns regarding online sexual violence and sexual harassment between children, regardless of whether the incident took place on our premises or using our equipment.
- If made aware of online sexual violence and sexual harassment, we will:
 - Immediately notify the DSL (or deputy) and act in accordance with our child protection and anti-bullying policies.
 - If content is contained on learners electronic devices, they will be managed in accordance with the DfE [‘searching screening and confiscation’](#) advice.
 - Provide the necessary safeguards and support for all learners involved, such as offering specific advice on blocking, reporting and removing online content, as well as providing appropriate counselling/pastoral support.
 - Implement appropriate sanctions in accordance with our behaviour policy.
 - Inform parents and carers, if appropriate, about the incident and how it is being managed.
 - If appropriate, make a referral to partner agencies, such as Children’s Social Work Service and/or the Police.
 - If the concern involves children and young people at a different educational setting, work in partnership with other DSLs to ensure appropriate safeguarding action is taken in the wider local community.
 - If a criminal offence has been committed, the DSL (or deputy) will discuss this with Northumbria Police first to ensure that investigations are not compromised.
 - Review the handling of any incidents to ensure that best practice was implemented, and policies/procedures are appropriate.

11.2 Youth Produced Sexual Imagery (“Sexting”)

- The Federation of Longhorsley and Whalton C of E Schools recognises youth produced sexual imagery (known as “sexting”) as a safeguarding issue; all concerns will be reported to and dealt with by the DSL (or deputy).
- We will follow the advice as set out in the non-statutory UKCCIS guidance: [‘Sexting in schools and colleges: responding to incidents and safeguarding young people’](#)

- The Federation of Longhorsley and Whalton C of E Schools will ensure that all members of the community are made aware of the potential social, psychological and criminal consequences of 'sexting' by implementing preventative approaches, via a range of age and ability appropriate educational methods.
- We will ensure that all members of the community are aware of sources of support regarding youth produced sexual imagery.
- We will respond to concerns regarding youth produced sexual imagery, regardless of whether the incident took place on site or using schools provided or personal equipment.
- We will not:
 - View any images suspected of being youth produced sexual imagery, unless there is no other possible option, or there is a clear need or reason to do so.
 - If it is deemed necessary, the image will only be viewed by the DSL (or deputy DSL) and their justification for viewing the image will be clearly documented.
 - Send, share, save or make copies of content suspected to be an indecent image of a child (i.e. youth produced sexual imagery) and will not allow or request learners to do so.
- If made aware of an incident involving the creation or distribution of youth produced sexual imagery, we will:
 - Act in accordance with our child protection policies and the relevant NSCB procedures.
 - Ensure the DSL (or deputy) responds in line with the ['Sexting in schools and colleges: responding to incidents and safeguarding young people'](#) guidance.
 - Store the device securely.
 - If an indecent image has been taken or shared on our network or devices, we will act to block access to all users and isolate the image.
 - Carry out a risk assessment which considers any vulnerability of learners involved; including carrying out relevant checks with other agencies.
 - Inform parents and carers, if appropriate, about the incident and how it is being managed.
 - Make a referral to Children's Services and/or Northumbria Police, as deemed appropriate in line with the UKCCIS : ['Sexting in schools and colleges: responding to incidents and safeguarding young people'](#) guidance.
 - Provide the necessary safeguards and support for learners, such as offering counselling or pastoral support.
 - Implement appropriate sanctions in accordance with our behaviour policy but taking care not to further traumatise victims where possible.
 - Consider the deletion of images in accordance with the UKCCIS: ['Sexting in schools and colleges: responding to incidents and safeguarding young people'](#) guidance.
 - Images will only be deleted once the DSL has confirmed that other agencies do not need to be involved; and are sure that to do so would not place a child at risk or compromise an investigation.
 - Review the handling of any incidents to ensure that best practice was implemented; the leadership team will also review and update any management procedures, where necessary.

11.3 Online Child Sexual Abuse and Exploitation (including child criminal exploitation)

- The Federation of Longhorsley and Whalton C of E Schools will ensure that all members of the community are aware of online child sexual abuse, including: exploitation and grooming; the consequences; possible approaches which may be employed by offenders to target children and how to respond to concerns.
- The Federation of Longhorsley and Whalton C of E Schools recognises online child sexual abuse and exploitation (including criminal exploitation) as a safeguarding issue and, as such, all concerns will be reported to and dealt with by the DSL (or deputy).
- We will implement preventative approaches for online child sexual abuse and exploitation (including criminal exploitation) via a range of age and ability appropriate education for learners, staff and parents/carers.
- We will ensure that all members of the community are aware of the support available regarding online child sexual abuse and exploitation (including criminal exploitation), both locally and nationally.
 - We will ensure that the 'Click CEOP' report button used to report online child sexual abuse is visible and available to learners and other members of our community. This is available on our websites in the e-Safety section.
- If made aware of incident involving online child sexual abuse and exploitation (including criminal exploitation), we will:
 - Act in accordance with our child protection policies and the relevant NSCB procedures.
 - If appropriate, store any devices involved securely.
 - Make a referral to Children's Services (if required/appropriate) and immediately inform Northumbria police via 101, or 999 if a child is at immediate risk.
 - Carry out a risk assessment which considers any vulnerabilities of learner(s) involved (including carrying out relevant checks with other agencies).
 - Inform parents/carers about the incident and how it is being managed.
 - Provide the necessary safeguards and support for learners, such as, offering counselling or pastoral support.
 - Review the handling of any incidents to ensure that best practice is implemented; leadership team will review and update any management procedures, where necessary.
- We will respond to concerns regarding online child sexual abuse and exploitation (including criminal exploitation), regardless of whether the incident took place on our premises or using schools provided or personal equipment.
 - Where possible, learners will be involved in decision making and if appropriate, will be empowered to report concerns such as via the Click CEOP report:
www.ceop.police.uk/safety-centre/
- If we are unclear whether a criminal offence has been committed, the DSL (or deputy) will obtain advice immediately through the Education Safeguarding Service and/or Northumbria Police.
- If learners at other settings are believed to have been targeted, the DSL (or deputy) will seek support from Northumbria Police and/or the NSCB first to ensure that potential investigations are not compromised.

11.4 Indecent Images of Children (IIOC)

- The Federation of Longhorsley and Whalton C of E Schools will ensure that all members of the community are made aware of the possible consequences of accessing Indecent Images of Children (IIOC).
- We will respond to concerns regarding IIOC on our equipment and/or personal equipment, even if access took place off site.
- We will seek to prevent accidental access to IIOC by using an internet service provider (ISP) which subscribes to the Internet Watch Foundation block list and by implementing appropriate filtering, firewalls and anti-spam software.
- If we are unclear if a criminal offence has been committed, the DSL (or deputy) will obtain advice immediately through Northumbria Police and/or the NSCB.
- If made aware of IIOC, we will:
 - Act in accordance with our child protection policy and the relevant NSCB's procedures
 - Store any devices involved securely.
 - Immediately inform appropriate organisations, such as the Internet Watch Foundation (IWF), Northumbria police.
- If made aware that a member of staff or a learner has been inadvertently exposed to indecent images of children, we will:
 - Ensure that the DSL (or deputy) is informed.
 - Ensure that the URLs (webpage addresses) which contain the suspect images are reported to the Internet Watch Foundation via www.iwf.org.uk .
 - Ensure that any copies that exist of the image, for example in emails, are deleted.
 - Report concerns, as appropriate to parents and carers.
- If made aware that indecent images of children have been found on the schools provided devices, we will:
 - Ensure that the DSL (or deputy) is informed.
 - Ensure that the URLs (webpage addresses) which contain the suspect images are reported to the Internet Watch Foundation via www.iwf.org.uk .
 - Ensure that any copies that exist of the image, for example in emails, are deleted.
 - Inform the police via 101 (999 if there is an immediate risk of harm) and Children's Services (as appropriate).
 - Only store copies of images (securely, where no one else has access to them and delete all other copies) at the request of the police only.
 - Report concerns, as appropriate to parents and carers.
- If made aware that a member of staff is in possession of indecent images of children on schools provided devices, we will:
 - Ensure that the Executive Headteacher is informed in line with our managing allegations against staff policy.
 - Inform the Local Authority Designated Officer (LADO) and other relevant organisations in accordance with our managing allegations against staff policy.
 - Quarantine any devices until police advice has been sought.

11.5 Cyberbullying

- Cyberbullying, along with all other forms of bullying, will not be tolerated at The Federation of Longhorsley and Whalton C of E Schools.
- Full details of how we will respond to cyberbullying are set out in our anti-bullying policy.

11.6 Online Hate

- Online hate content, directed towards or posted by, specific members of the community will not be tolerated at The Federation of Longhorsley and Whalton C of E Schools and will be responded to in line with existing policies, including anti-bullying and behaviour.
- All members of the community will be advised to report online hate in accordance with relevant policies and procedures.
- The Police will be contacted if a criminal offence is suspected.
- If we are unclear on how to respond, or whether a criminal offence has been committed, the DSL (or deputy) will obtain advice through the NSCB and/or Northumbria Police.

11.7 Online Radicalisation and Extremism

- We will take all reasonable precautions to ensure that learners and staff are safe from terrorist and extremist material when accessing the internet on site. Forensic software monitors this and sends regular reports to the SLT with any online radical/extremist vocabulary and sites visited.
- If we are concerned that a child or parent/carer may be at risk of radicalisation online, the DSL (or deputy) will be informed immediately, and action will be taken in line with our child protection policy.
- If we are concerned that member of staff may be at risk of radicalisation online, the Executive Headteacher/Manager will be informed immediately, and action will be taken in line with the child protection and allegations policies.

Staff, Governor & Visitor Information Systems 'Acceptable Use Policy' / 'Code of Conduct'

To ensure that members of staff, governors and visitors are fully aware of their professional responsibilities when using any form of ICT, they are asked to sign this 'Acceptable Use Policy'/'Code of Conduct'. All staff are expected to sign this policy and adhere at all times to its contents. Staff, governors and visitors should consult the school's e-Safety Policy and e-Safety Co-ordinator if they have concerns or need further information or clarification.

- I will only use the school's email/internet/intranet/Learning Platform and any related technologies for professional purposes and for uses deemed acceptable by the Headteacher or Governing Body.
- I understand that school information systems must not be used for private purposes, without specific permission from the Headteacher or Governing Body.
- I understand that the school monitors and logs all of my use of the school's ICT systems and Internet use and is made available to the Head teacher to ensure policy compliance.
- I will comply with the ICT security and I will not disclose any password or security information to anyone other than an appropriate system manager.
- I will ensure that high levels of data protection are adhered to at all times. This means locking ICT equipment whilst leaving rooms.
- I will not install any software or hardware without permission from the e-Safety Coordinator, Head teacher or Governing Body.
- I will ensure that personal data is kept secure in school and that it is used appropriately when in school or accessed remotely. Personal data can only be accessed remotely when authorised by the Head teacher or Governing Body. Personal or sensitive data taken off site must be encrypted eg on a password encrypted laptop or memory stick.
- I will not browse, download, upload or distribute any material that could be considered offensive, illegal or discriminatory.
- I will ensure that my online activity, both inside and outside of school, will not bring the schools, my professional reputation, or that of others, into disrepute.
- I will only take appropriate images of pupils and/or staff and use them for professional purposes in line with schools policy and with written consent of parent/carer or staff member.
- I will store and retain the above images in accordance with the NCC's 'Records Management Schedule'.
- I will not distribute images outside the schools network without the permission of the parent/carer, member of staff or Headteacher.
- I will support the school approach to online safety and not upload or add any images, video, sounds or text linked to or associated with the schools or their communities.
- I will support and promote the schools' e-safety and associated policies.
- I will respect copyright and intellectual property rights.
- I will report any incidents of concern regarding children's online safety to the school's e-Safety Coordinator and/or the Designated Safeguarding Lead (DSL).
- I will ensure that any communications with pupils and staff is compatible with my professional role.
- I will have no online contact with pupils or their siblings on Social Media and have my settings on high privacy.
- I will not give out my own personal details such as phone numbers, personal email address or any social media link to pupils.
- I will not publicise any content that could be libellous or bring the schools into disrepute.
- I will only use the approved, secure email system for any school business.
- I will not access my staff email account on my phone unless I have written permission from the Headteacher or Governing Body (on the understanding that the phone is only accessed by the staff member; that the physical security of the device is the owner's responsibility and that the owner ensures he or she logs out of the email system when not in use)
- I will remove emails with any sensitive files, or personal identifiable data to separate secure folders once processed.
- I will only save attachments containing personal information to schools equipment only.
- I will promote the school's e-safety and data security policies with students in my care and help them to develop a safe and responsible attitude to system use, related technologies and to the content they access or create.
- I will not use personal electronic devices (including smart watches) in public areas of the school between the hours of 8:30am and 3:30pm except in the Office or Staffroom.
- I will take personal responsibility for my professional development in sound e-safety practices.
- I understand that if I breach this policy I will be subject to disciplinary actions by the schools.

The schools will exercise their right to monitor the use of the schools information systems, including Internet access, the interception of e-mail and the deletion of inappropriate materials (if appropriate) where it believes unauthorised use of the schools information system may be taking place, or the system may be being used for criminal purposes or for storing unauthorised or unlawful text, imagery or sound.

I have read, understood and agree to follow this 'Acceptable Use Policy' / 'Code of Conduct' to support the safe and secure use of ICT throughout the school.

Signed: Print: Date: Accepted for school:

Pupil Acceptable Use Agreement / e-Safety Rules 2019-20

- I will only use ICT in school for school purposes
- I will only use my class/my own school email address when emailing in school
- I will not tell other people my ICT/computing usernames and passwords
- I will only open and delete my own files
- I will not copy other people’s work and say that it is my own
- I will be polite and responsible when I communicate with others
- I will not take or share images of anyone without their permission
- I will not look for, save or send anything that could be unpleasant, embarrassing or nasty
If I accidentally find anything like this I will tell my teacher immediately
- I will not give out my own/others details such as names, phone numbers and home addresses
- I will not arrange to meet someone or send someone my own image unless this is part of a school project approved by my teacher and a responsible adult comes with me
- I will not download anything without permission from the teacher
- I will tell the teacher if I find any damage or faults with technology, however this may have happened
- I will not use any social networking, gaming or chat sites unless this is part of an approved learning activity given to me by my teacher
- I will be responsible for my behaviour when using ICT because I know that these rules are to keep me safe
- I will support the school’s approach to online safety and not upload or add any images, video, sound or text that could upset anyone
- I know that my ICT use is monitored and checked and my parent/carer contacted if a member of school staff is concerned about my online safety
- I will not sign up for any online service unless this is an agreed part of a school project supervised by my teacher
- From Reception to Year 4, I will not bring a mobile phone/Smart Watch into school
- In Years 5 & 6 at Whalton C of E Primary School I can bring my phone to school but it must be handed in and kept in the school office during the school day
- I understand that these rules are designed to keep me safe and if they are not followed, school sanctions will be applied and my parent/carer will be contacted

Dear Parent/Carer,

All pupils use computer facilities including internet access as an essential part of learning, as required by the Primary Curriculum. The schools take all reasonable precautions to ensure that pupils cannot access inappropriate materials. We expect all children to be safe and responsible when using any ICT and ask that you assist us in this aim by reading the ‘Acceptable Use Agreement’ with your child. Please could you and your child sign this agreement to show that the e-safety rules have been understood and agreed.

Pupil: I have read, understand and will abide by the above e-safety rules.

Pupil: _____ **Year:** _____

Signature: _____ **Date:** _____

Parent/Carer: My child and I have read, understood and agree to abide by these e-safety rules.

Signature: _____ **Date:** _____
