

**The school lunches are delicious!**

I love still being at Whalton because our school is fair, we already trust everyone and we are all really nice to each other. We go to Ponteland Primary for our PE lessons and it is very fun because we meet lots of new people but we get to keep Miss Anderson and our Whalton friends with us. I love doing different, fun activities like making lemon volcanoes in maths.

We get a new classroom and lockers, giving us more responsibility in Year 5. I loved the beginning of our Victorians topic in Year 5 - When I am older I want to be an archaeologist and Miss Anderson's story sack of artefacts has inspired me even more! I loved Dukeshouse Wood! I love meeting new friends at Ponteland Primary but I enjoy making them with my Whalton friends beside me. I like all the different environments we get to work in.

**I love our school lunches because there is never anything I don't like!**

I enjoy being the top of the school and we can take care of the new Reception and help new people - I love welcoming new friends to our school! We get to make new friends at PE too at Ponteland Primary but I like how I still get to keep my Whalton friends with me. In Year 5 we get to go to new and exciting places as we are more responsible so teachers make sure we get to try new activities and do things more independently which I like.

*I love having all my friends around me. I think the new challenges and expectations for Year 5s is great! I loved Dukeshouse Wood with my Whalton friends; I never felt left out but could still meet new people and try new things like abseiling. I like PE at Ponteland Primary - the teams are with my Whalton friends but we do lots of team work with new people.*

**There is lots of variety at lunchtime with all of them being my favourites!**

I like my teacher a lot. I like my new classroom and being in a new environment but still being at Whalton. I like doing maths, I think it's good because it's new things I haven't learned yet but I feel more confident to have a go and I can do it. I like that I still get to be with my friends and go to Dukeshouse Wood and all the exciting new trips coming up in Year 5! I like PE at Ponteland Primary as we get new people to make friends with; we welcome new people to our school and look after our peers, now we are responsible Year 5s.
