

Dear Parents and Carers

Today marks the end of another school year and there is much to celebrate. The range, breadth and depth of the children's learning this year has been fantastic and it is amazing to see how much they develop and mature during the course of each school year. Maybe it is my advancing years, but every year seems to go more quickly than the last and it is incredible to look at our current Year 6 as 'leavers' when it doesn't seem like 5 minutes since they joined us in Reception: an important reminder to us all to make the most of every day.

Our other leavers also include Mrs Hixon, Mrs Turland, Mrs Langley, Mrs Bolt, Mrs Tolley, Mrs Cirin, Miss Summerton, Mrs Holland and Mrs Moore. We are very grateful for their huge contributions to Woodloes, some spanning many, many years and we extend our very best wishes to them all in their future endeavours or for a long and happy retirement!

Whilst this might appear to be an ending of sorts for some it also marks a new beginning for others. I hope you all have a fantastic summer break: stay safe, keep learning (we talked about making your brain better in assembly this week!) and enjoy your family time together. I look forward to seeing you all rested and refreshed in September.

All the very best and thank you for your wonderful support this year!

Andy Mitchell
Head teacher

What's Going On

Friday 20th July –
Last Day of Term!

Monday 3rd September—
Teacher Training Day

Tuesday 4th September—
First day back for pupils

The children in Year 6 enjoyed a well-deserved leaving party last Thursday evening. This was held by the Year 6 team to celebrate the achievements and effort the children have put in to their final year at primary school.

Governor Focus

Governors would like to wish all children, parents, carers and staff a relaxing and enjoyable summer break. Thank you for all the hard work and support this school year. Good luck to the year six pupils leaving Woodloes to continue school life at secondary school - we hope you take some wonderful memories of Woodloes with you. We look forward to another busy and productive year when we return in September. Our first meeting will be on 11th September 2018 when we will consider priorities for the year ahead.

Pupil Voice (This week—Sport)

It's been another fantastic sporting year with some amazing performances and results.

The school has been represented in Netball, Rowing, Tennis, Football, Athletics, Indoor Athletics, Pentathlon, Personal Challenge, Rounders and Cross Country. Being selected and representing your school is something that you should be incredibly proud of. This year over 120 pupils were selected to compete and represent Woodloes and each of them did so to the highest standards. We have already signed up for next year's events with the aim of increasing overall participation even further!

Well done sports stars! Keep it up!

Focus on Excellence

Year 1 produced some excellent work based on Urban Art during our arts week. We considered graffiti using stencils and cut out figures which we used to decorate the outside classroom. We also created amazing city scales using newspaper and pastels and yarn bombing with Pom poms we had made.

A wonderful exciting learning experience was had by all.

Other News

World Cup Winners England may not have won the world cup but

We had our own little football tournament (years 3-6) in school this term, with different countries being represented by teams of children. The overall winners were 'Germany' and the runners up were 'Brazil'. We are sure the children will agree it was great fun! Well done to all who participated.

School Dinners As mentioned in our last newsletter, please note that the cost of a school dinner is increasing from the beginning of September, to £2.23 (£11.15 per week).

School Uniform We have had a very high volume of unclaimed 'un-named' uniform items this school year. We are sure that the Air Ambulance are more than grateful for all the unclaimed items that we donate at the end of every term, however, we would rather they were returned to their rightful owners. Over the summer holidays, PLEASE make sure that you label your child's uniform, so that it can be returned quickly to them should they lose it in school.

Extra Curricular Activities With this newsletter please find attached 'Extra Curricular Timetable' for the autumn term. As noted on the bottom of this, you will see that there are further clubs to be confirmed at the start of the autumn term.

Summer Activities There are lots of activities taking place over the summer holidays (we have already sent out information on a number of them). We have now received further information, as follows:-

St Nicholas Park LC have various activities taking place; Active Antz, Soccer, Basketball Coaching, Badminton Coaching, Hockey. Tel 01926 495353 for further information.
