

Dear Parent / Carers

I'd like to start by thanking you for your continued patience and support this week. As you are aware, we have liaised with Public Health to ensure that our management and response of the current COVID situation within our school community, has been robust, reasonable and proportionate.

This week has been Anti-Bullying week; introduced by Key Stage assemblies and followed up in classes where the children have participated in discussions and tasks. Miss Tresadern also enjoyed seeing examples of this work and how brilliantly the children are doing during their PSHE sessions, during the PSHE deep dive. She said that she was bowled over by the quality of work she saw and the enthusiasm pupils displayed when discussing this.

On behalf of all of the Woodloes team, I would like to thank you for your feedback linked to the parent / carer consultation meetings which have taken place during the last two weeks. It was wonderful to be able to share with you how the children have settled into their year groups and classes, their attainment, progress and attitude towards their learning.

It has also been fantastic to see all of the children today (and staff) wearing their crazy clothes in recognition of Children In Need. A definite highlight was seeing the children showing their amazing moves during the outdoor lunchtime disco. Thank you to school council for this great idea, which supports such a worthy cause and was enjoyed by all.

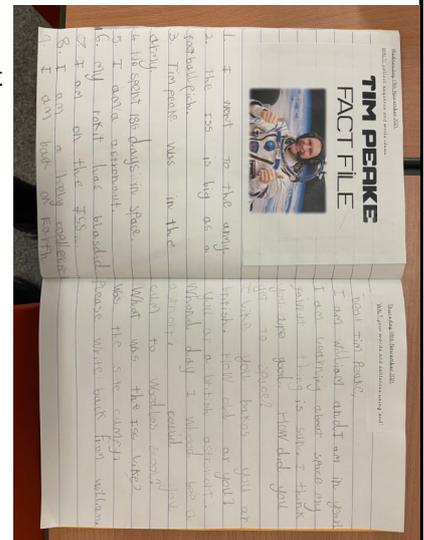

Once again, thank you for your continued support.
Take care and keep safe.

Sian Stevens
Deputy Headteacher

In Year 1 we have been learning about space for our new topic 'To Infinity and Beyond'. We have explored the planets, written a list of things we would take to space, retold and sequenced the story of 'Whatever Next' and wrote character speech bubbles. This week we have completed a space diary, fact file and even wrote a letter to Tim Peake! We are so busy enjoying our new topic.

We can't wait for our Space workshop soon!

Attendance News

Highest class attendance for last week—Class 2ML (Mrs May & Mrs Lambert) with 100%!

Whole school attendance to date - 96.6% (school target 96.5%)

What I love about Woodloes

I like Maths because I like solving problems and doing equations.
Robin
Class 2ML

Focus on Excellence—

The Year 4 topic this half term is all about Mighty Mountains.

At the start of the topic, the children learnt about the clothes and equipment they would need to climb a British mountain safely. They also enjoyed using atlases to find out the names, heights and locations of the highest mountain on each continent.

During a drama activity, the children found out about five types of mountains and the different ways that they were formed. In groups, they then produced a short drama, demonstrating the formation of one of these types of mountains.

In English, the children have enjoyed reading 'Fire on the Mountain' and we have been impressed with the quality of their recent writing.

Other News

Children In Need

Thank you to everyone who has made a donation to the charity. For those that haven't yet, but want to, please copy and paste the following link into your browser and make a donation now! Thank you!!

Anti Bullying Week

Thank you to everyone who wore their 'odd socks' on Monday to highlight 'Anti Bullying Week'! There was a vast display of wonderful different coloured socks to show support for this important issue.

Woodloes Bible Club (WBC)

WBC would like to promote their bible club, which takes place on Sundays 3pm to 4pm, Norton Drive, Warwick, CV34 5FE. Children can enjoy bible stories, songs and memory verses. WBC is organised by a DBS checked Christian medical doctor. If interested, please email or text Niki WBCWarwick@gmail.com 07582 817413 for further information.

The Gap Community Centre

The Gap are holding a Christmas Craft Fair on Saturday 4th December 12pm to 4pm at 39 Oakwood Grove, Warwick. There will be 15+ stalls, woollen decorations, homemade wooden items, candles, mulled wine, mince pies and much more!

Go Go Makers

Go Go Makers are now advertising their Christmas Camp. If you are looking for something fun and exciting for your child to do during the Christmas break, then this could be the club for them! Go to www.gogomakers.co.uk, or email hello@gogomakers.co.uk / tel 01926 935377
