# \* Woodloes Winter Wonderland

## What's it all about?

Starting at 6pm on Friday 27th November, Woodloes Winter Wonderland will help to bring a bit of sparkle and cheer to our estate. This event is for everyone – all ages, backgrounds and abilities. It follows on from our very successful Woodloes Scarecrow Festival at the end of August, and the Halloween Scavenger Hunt on 31st October. It has been a difficult year for so many, being based at home more than ever, with concerns over health, well-being and finances. So, the Community Events Team would like to brighten up the whole estate, as we head into the darker days of Winter.

## What can you do?

Think of a way to decorate your front windows, drive, garden, or whole house on the theme of Winter. You can use any method or medium you like and use things that you already have – you don't need to spend lots of money. Maybe you do a craft? Maybe you can paint or draw? Maybe you are good with lights or projectors? The possibilities are endless. You could try your hand at a new skill – glass painting or making a winter-themed scarecrow. A Christmas Theme would be fine as well – what about a giant Advent calendar or presents? If you don't celebrate Christmas, how else could you interpret the Winter Wonderland theme? Traditional, modern, abstract – any style. And over the six weeks (ending 5th January 2021) you can change your display as often as you like.

## What does it cost?

We want to encourage hundreds of households to take part all over the estate. We are asking for a minimum donation of £2 to register. We will produce a map of the estate showing where all the exhibits can be located and families can walk around (in Covid-safe bubbles) to admire your creations. Maps will be available to download from our Facebook Page “Woodloes Community Events” and from the Woodloes Community Centre Website. Printed maps will also be available to purchase from the Woodloes Shops. You can use our Facebook page to post a photo and recommend which displays you loved (only positive comments, please.) No photos of children to be posted without their parents' permission.

## Who is the money for?

The Scary House on Hathaway Drive, organised by Ethan Mclellan's family each year had to be cancelled this time because of Covid restrictions. They normally raise around £1200 for Team Ethan and Acorn Children's Hospice. We hope to raise that much, or more, through the Winter Wonderland. If you enjoy taking part or seeing the exhibits, there will be collection points at the Woodloes Shops and Woodloes Tavern right through to 5th January 2021. We also have a Just Giving Page – “Woodloes Community Events” <https://www.justgiving.com/fundraising/woodloes>

Can you help us turn our estate into a magical art gallery experience, and to raise essential funds for these good causes? Let's create a Woodloes Winter Wonderland!
