### HEADTEACHER'S MESSAGE

We've been spoilt this week after previously years have seen Sports Day rained off, we had the complete opposite problem with the heat wave. The children and parents that I have spoken to thoroughly enjoyed the day and really demonstrated the values we are trying to promote (determination, honesty, passion, respect, self-belief, and teamwork) both through their conduct and with their fabulous chants. I would like to take this opportunity to say a huge thank you to Mr Brereton who has literally spent months leading up to this preparing and briefing staff on the running of the day. Also, a huge thank you to the fantastic Sports Ambassadors who were integral in the smooth running of the day.

I am also pleased to report that, after weeks of hard work, our School Prospectus Video is ready! We're really pleased with how it has turned out and feel that it shares what life is like at Budbrooke outside of the classroom. You can view the video on the school website or Facebook page.

In September we will be celebrating the schools 50th Anniversary. If you, or anyone you know, attended the school in the early days I would love to hear from you. Please contact the school office – admin2033@welearn365.com. If you have any pictures of the school from the 60's / 70's I would love to have them too; I will scan them and return them the same day!

With just two weeks left of the school year we have lots to fit in with assemblies, cake sales, the Y6 Enterprise activity and our show case evening amongst other things. As usual, we really appreciate all of your support and look forward to the exciting things we have left.

## Budbrooke Sports Day 2018

The School Games Values were the theme for this year's sports day. Each class chose a school games value (Determination, Honesty, Passion, Team work, Self belief and Respect), created a banner to parade and a chant to perform at the opening ceremony.

The Budbrooke Sports Ambassadors helped run the KS1 sports day races, which included sprinting, skipping, egg and spoon, hopping, obstacle and relay. After the track events the Year 6s then organised and led a variety of team activities for the children to participate in during the round robin events.

In the afternoon, KS2 sports day events included shuttle running, skipping, sprints, hurdles, obstacle, 600m and the team relays.

Mr Brereton said: "It was a great day of celebrating all the children's sporting prowess. All the children demonstrated the school games values in the different sporting events. They were all enthusiastic and keen to beat their personal best. Thank you to everybody for coming to cheer on the children and for the PTA's and parents' help organising the gazebos. It was a very enjoyable day."

### Pre-Retirement Charity Walk—Message from Mrs Stevens

Thank you to all those who have responded so positively to the idea of my undertaking a sponsored marathon walk to mark my retirement. I plan to walk from Budbrooke School gates along the Grand Union Canal towpath to the Gas Basin in Birmingham on Saturday 14th July. For those who wish to sponsor me by donating to Budbrooke PTA, there is a gift aid sponsorship form and collection box at Reception. For those who wish to donate to my other chosen charity (The Prince's Trust), this can be done through Just Giving. If you type in my name, Rachael Stevens, you should reach <https://www.justgiving.com/fundraising/rachael-stevens3> , find my official school photo and have the chance to make a gift-aided donation. I much admire the work of The Prince's Trust whose goal is "to give young people the practical and financial support they need to stabilise their lives" by "helping them develop key skills while boosting their confidence and motivation so they can continue to dream big." - such a worthwhile goal.
