PARKING

Please can I remind you not to park on the opposite side of the road outside school. When cars are parked on the verse it makes the road very narrow and therefore incredibly dangerous for children getting into their cars. It is also causing a lot of damage to the grass verge.

If this problem persists, advice will be sought from the local police force.

E-safety

Simon Genders (Safeguarding Development Officer) from Children and Family Services Leicestershire County Council has asked us to pass on the link below. It is a survey for parents to complete. Any feedback they receive will contribute towards ensuring our children are safe and remain safe.
