Friday 7th -

Family Assemblies

Family assemblies will occur twice a year as from this year (spring and summer terms). This is because the autumn term is always so busy with settling back into school, harvest and then rehearsing for Christmas. The year 3/4 class will, however, have one this term following their fantastic Egyptian Day. We hope you appreciate how busy school life is for the children and the staff and we do not want to add undue pressure on anyone.

Cake Raffle

Each Friday morning at 8.40am the PTFA raffle a beautiful cake to help raise money for the school. Primarily the money goes towards the upkeep of our wonderful farm. This cannot happen without your donations of home baked or bought cakes and Caroline Vickers who, each Friday, is out on the playground selling raffle tickets. Next Friday (7th) Caroline will be collecting names of anyone who can donate a cake and then the raffle will start on 14th September. Tickets cost 50p each or three for £1.

Daily Run

We shall be starting our daily run again next week as from Monday. Children must have a pair of trainers and a spare pair of socks in school every day. Children who did not manage to finish their marathon challenge will also have a chance to finish it this term and receive their medal.

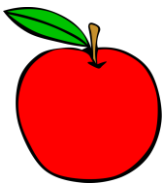

Tuck Shop

The tuck shop will start up again in a few weeks' time. Before it does, the year 5 children need to work on their business plans, logos and orders. You will be hearing from the first group soon.

Morning Snack

All infant children receive a free piece of fruit each day. If junior children wish to bring a snack to have at morning break then we ask that it is fruit or vegetable based. Children are not allowed to take other items from their lunch bags such as biscuits. These items must be left for their lunch in the hall.

Home School Diaries

Your child should now have a home school diary in their book bag. This is a very important part of our daily lives; it is where you can write messages to your child's teacher and vice versa, spellings are written down, there is a lot of useful information to support homework activities and information about daily routines. Teachers check the diaries each day. Please can we ask you to read through the Pupil Agreement page with your child and ask them to sign it (or you can for the youngest children) and read through the Home Agreement page and sign it. Teachers will then check these and sign the School Agreement. It is so important we are all in agreement with procedures and conduct for the sake of your children's education and life in school. Thank you.
