Friday 16 <sup>th</sup> March -	9.10 Foundation Family Assembly 2.50 Year 3 & 4 Family Assembly

### Thank you!

Thank you for your understanding and patience during the bad weather last week. Although we were expecting snow, the volume and the drifting took us a little by surprised. We understand that it is difficult for working parents to arrange child care but the safety of everyone was our priority.

### Science Week

Next week is Science Week. Children will be taking part in a variety of science activities and assemblies throughout the week with the aim of deepening and widening their knowledge and understanding and to find out about famous scientists past and present.

## **Sponsored Speed Kick event in school on March 20<sup>th</sup>**

Your child should have brought home a letter and sponsored form about our Speed Kick event on March 20<sup>th</sup>. Each child who manages to raise £25+ will receive an engraved trophy and the fastest boy and girl from each year group will receive a medal. This is a great opportunity to raise some money for school and for the 'Mind' charity through a fun and competitive activity. All money raised for school will go towards developing our outside spaces further.

### **Head Lice**

We have been advised that there have been cases of head lice in school. Please could you check your children's hair tonight and treat if needed. Where treatment is required it can either be purchased from the chemist or obtained on prescription from the doctor.

**Please could all Year 3 & 4 Children bring a pair of wellies to school next week.**

**Thank you**
