Summary of PE & School Sports Premium				
Objectives 2017/18:				
<ul style="list-style-type: none"> - To increase levels of physical activity among all pupils - To raise the profile of regular PE, sport and active learning across the school - To increase levels of confidence, knowledge and skills of all staff in teaching PE and sport - To offer a wide range of physical activities to all pupils both within and outside of school hours - To continue to increase participation in sporting competitions 				
Record of spending by item/project				
Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				
Item/Project:	Cost:	30% of funding	Objectives:	Impact:
Playtime and lunchtime structured games led by specialised PE support staff.	£945		To allow all children the opportunity to participate in simple team invasion games in a safe environment.	Children are enjoying active play times, and when waiting for their turn are observing various game play thus learning the importance of rules and fair play when playing sport.
New and replacement playground equipment, including new playground markings for 2 nd 4-Square court	£ 360 spent YTD £1640 – further allocation for year		After consultation with children in different year groups, to provide a range of equipment and activities which are accessible for all.	Children are already enjoying some of the new equipment purchased, with visibly increased levels of enjoyment of physical activity at playtimes.
Storage for bikes and scooters.	£2000*		To provide secure on-site storage to encourage more children to travel to school by alternative, more active methods than at present, as per School Travel Plan.	More children will travel to school by more active means.
Storage for playground and gardening equipment.	£500**		To ensure that all new and existing equipment can be stored safely and is easily accessible by children and staff as required.	Equipment will last longer. Children and supervising staff members will have easy access to equipment. Children will be actively using equipment for longer.
Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement				
Item/Project:	Cost:	9 % of funding	Objectives:	Impact:
Energy Club/ Playmaker award	£500**		To offer all Y4 and Y5 children the opportunity to participate in a lunchtime club which provides them with the	Children will become “Sports and Play Leaders”, raising the profile of organised sports and games within and across year groups. All staff will be aware of which children have

			knowledge and skills to facilitate positive play and games both within PE lessons and at playtimes.	completed the program, and will be confident to give children certain responsibilities for leading activities at playtimes as well as within lessons.
Happy Hearts Whole School Assembly, followed by workshops over 2 days for KS1 and KS2. Run by Activ8.	£560		To provide a range of activities across the whole school within Key Stages which encourage healthy lifestyles and emphasise the importance of good nutrition and exercise. To follow this up during the Summer Holiday by holding a family day workshop to involve parents and carers in the initiative.	Children in all year groups
Maths of the Day	£495*		To increase the level of physical activity during lessons other than PE.	Children will be active for longer periods of time during the course of daily learning activities.
Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				
Item/Project:	Cost:	23% of funding	Objectives:	Impact:
Appointment of part-time specialised PE support staff member.	£3785		To support teaching staff with planning, preparation and delivery of curriculum time PE lessons.	Staff will have greater ability and confidence to deliver quality PE lessons. Children will benefit from high quality teaching.
CPD for staff	£500**		To increase confidence in teaching a range of PE lessons. To facilitate networking opportunities and share professional knowledge.	Staff will be more confident to teach PE lessons.
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				
Item/Project:	Cost:	20% of funding	Objectives:	Impact:
Specialist football coach running after school clubs for KS1 and KS2.	£745		All children have the opportunity to practise skills required to participate in competitive sports, should they wish to do so.	Football clubs have been well attended and teams have been entered into local competitions in which all players have enjoyed success. Table tennis/multi-skills clubs have offered children who may not think themselves as "sporty" opportunities to be active non-threatening and less competitive scenarios.
Activ8 Running club (45 mins per week)	£850		To give children the opportunity to increase general fitness levels and work on a range of	Children will feel more energised, confident, and physically fit.

Primary PE & School Sports Premium Fund 2017/18 Whytemead Primary School

			techniques to improve stamina.	
Transport to Legacy Games (KS1 and KS2 hold different events)	£2000**		For children across all year groups to participate in a wide variety of activities in friendly competition with local schools.	Children are always excited and engaged with sport throughout the whole day during this annual event. They learn new skills and experience different challenges, and have lasting memories of their own successes to look back on.
Key indicator 5: Increased participation in competitive sport				
Item/Project:	Cost:	16% of funding	Objectives:	Impact:
WSSA Membership (annual subscription)	£1295		To allow us to enter a wide range of competitions, festivals and league events held locally against other schools. Also provides a range of CPD courses for members to access.	Children are offered many opportunities throughout the year to participate in a wide range of competitive events. This increases motivation, enthusiasm, determination and resilience.
New sports kit	£1500**		To replace existing kit which there is now an inadequate supply of as we increase our competition participation.	Children will feel more solidarity when wearing matching kit and will be proud to be ambassadors for Whytemead.
Support Staff to accompany staff when attending competitions.	£200**		To ensure adequate supervision and safety of all children when attending off-site sporting competitions.	Children are safe.
Sustainability of spending				
Staff have access to lesson planning and resources provided by many of our different projects which can be used for future cohorts. Children will all have opportunities to become aspirational leaders in sports as they move up the school. CPD will enable the continued raising profile of sports and PE. Partnerships and sharing of professional expertise with local schools continues to take place through attending WSSA meetings and fixtures. Engagement of all children in physical activity remains a priority through different and changing projects to be evaluated at end of year.
