

# Whytemead Primary School Newsletter

## Message from Mr Waddington and Mrs Mavin

Firstly, a huge congratulations to both you and all the staff for embracing and using Google Classroom. We were able to train and begin using this platform within a week! Thank you also for bearing with us through the teething troubles. The teachers are really enjoying the learning dialogue that this platform has provided and we hope that the children like it too.

As far as home learning is concerned, we understand that everyone's circumstances are different. Please just do your best and if you are at all worried about the learning you can contact your child's teacher through Google Classroom.

As children are spending more time online at the moment, we thought it might be useful for us to share some safe internet use information.

The following websites provide information for parents and children about keeping safe online:

<https://www.thinkuknow.co.uk/>

<https://www.westsussex.gov.uk/education-children-and-families/your-space/support/personal-safety/staying-safe-online/>

<https://www.saferinternet.org.uk/advice-centre/parents-and-carers>

Please take a look at these websites for advice about talking to your child about online safety, acceptable online behaviour and other issues related to your child being online.

We hope that you can enjoy some time outside over the weekend. Please follow the government COVID19 guidelines.

Stay safe, Mr Waddington & Mrs Mavin

## FUN CHALLENGE!

Everyone is invited to take part in our fun challenge! We hope you enjoy!

This week, your challenge is to design a logo with the initials W and M. Mr Waddington and Mrs Mavin would like to use the logo on these newsletters.

The winner will have their logo used on our Whytemead Newsletters.

Please email a photo of your design to [office@whytemead.school](mailto:office@whytemead.school)

Thank you and good luck!
