Issue 4

Friday 23rd October

Half term is almost upon us and we have finished with a fantastic variety of Halloween costumes throughout the school.

We were approached this morning by 19.01 Catering company who are situated on the industrial estate in Pegswood. They have very kindly offered to supply those children in school who receive Free School Meals with packed lunches over the course of next week. We have been in contact with those families it affects and you should have received a Dojo message. We would like to thank Dan of 19.01 Catering for this extremely kind gesture.

School Admissions

There are still a number of Year 6 parents and carers that have not yet applied for a Secondary place for their child. This has to be done before 31st October otherwise any application after this date will be classed as late. You may then not get your first choice of Secondary school.

Parents'/Carers' Evening

We are still working on a system that would allow you to book a slot online, but we are hoping to hold these during the second and third weeks back after half term. You will be informed when the system for booking a phone slot is in place.

Covid tests

If anyone in your immediate family takes a test for Coronavirus during the half term holiday, please can you inform us via the email address at the end of this paragraph. Please can you inform us of the result – whether it is positive or negative. Please don't phone school and leave a message, as these phones will not be manned during half term. Please also don't email the admin address as this will also no be looked at. The email address to send information about testing is:

covid@pegswood.northumberland.sch.uk

It has been a very different first half term of the school year to anything we've known before. The hard work that the whole school community has put in to ensure systems that are in place have been followed is a credit to everyone – thank you.

Enjoy a slightly different half term to normal. School reopens on Monday 2nd November.
