Pegswood Primary School News

Issue 21   Friday 14th February

Northumberland School Games

Congratulations to both of our School Games teams this week. Wednesday saw a team of Year 5 and 6 compete in the Sportshall Athletics competition. Competing against six other much larger schools, our team jumped, sprinted and threw well, but the competition was fierce. They finally finished seventh. Well done to all of those who took part.

Congratulations also to our Year 3 and 4 children who took part in the gymnastics competition. Again, competition was fierce alongside twelve other teams. However, the six children kept their nerve and performed their two routines each brilliantly and finished fifth. Well done to those six children who took part.

Parking

Once again, the parking of cars outside of school has been raised with us. Can we politely remind you that when you park your car, please ensure it is not blocking any access or driveways of our neighbours – which includes local businesses that are nearby. Please do not park in front or across the main entrance gates to school at any time. We are informing the County Council each time it is brought to our attention and would urge anyone who feels it is becoming dangerous to do the same. Thank you for your help with this in order to keep everyone safe.

Bookshop

Our next bookshop will be on Tuesday 24th March.
