Northumberland School Games – Year 3 and 4 gymnastics

Our squad of six girls from Years 3 and 4 took part in their qualifying event for the Northumberland School Games. There were eleven other schools from our area taking part in the competition, where two routines had to be performed in front of qualified gymnastic judges who were scoring the routines. The total scores from both routines were added together which led to a winner. We are extremely proud to share that our squad of two Year 3 and four Year 4 children finished second overall. All the routines performed were excellent. In addition to winning the competition, our team also picked up two nominations made by other schools to one of the six School Games values. Well done to the whole team.
