Issue 14

Friday 22<sup>nd</sup> December

## KS2 Carol Evening

Many thanks to all those who came along and supported the Carol Evening and to those who contributed to the night. We were lucky with the weather and the temperature and the brass band and coffee trailer helped with the festive atmosphere.

## Year 4 trip

Year 4 went on their annual trip to Lynemouth Power Station on Monday afternoon. They entertained the workers with Christmas carols. This is a tradition that goes back many, many years and is something looked forward to each year. Many thanks also to Lynemouth Power for their kind donation to school.

## Year 5 & 6 trip

Year 5 & 6 thoroughly enjoyed their ten pin bowling 'Christmas party' yesterday. A great time was had by all who went.

## Bikes and Scooters

Please ensure that all bikes and scooters are collected today before the gates close for the holidays. We are unable to take responsibility for any bike or scooter that is left in school over the holidays.

## Diary Dates

Monday 8<sup>th</sup> January 2018

School opens for Spring Term

This has been one of the longest Autumn Term's for a long, long time. Lots of things have happened during the term since September and we thank everyone for their support during the term.

We hope you have an enjoyable holiday and look forward to welcoming you back in 2018!
