Friday 5th October

Macmillan Coffee Afternoon

Many thanks to all those who attended this fabulous afternoon at school, or indeed those who donated their time to help or cakes to sell. There were many more people than in previous years and we managed to raise £602.17. Thank you to everyone for this fantastic amount.

Harvest

Thank you for all the produce that was brought in yesterday for our Harvest appeal. Thank you also to all the Friends of Pegswood who came

into school yesterday afternoon and along with Year 4 helped create Harvest hampers to distribute later on today around the village. Thank you to our local Co-op who very kindly donated reusable bags to distribute the food in.

Healthy Living Week

We have had a great week being fit and healthy this week. Monday's fitness day was energetic and sweaty! A big thank you to Mr Walker who led the fitness sessions over the day with each class. Other activities during the week have included healthy sandwich making and tasting, designing healthy posters and sorting activities in Nursery to determine what healthy snacks are and what are not so healthy!

Relocation of Garage

Lane End Garage is relocating from its current position in Pegswood to the old petrol station (many years ago) near to school. Upon relocating there on Monday 8th October, the area around and outside of the actual garage will be much busier and so parking there when coming to drop off and collect children will no longer be possible. Although a little further away, we have always been given permission for parents / carers to use the Pegswood Community Hub car park in the mornings and afternoons. We will speak to the children in school, but please will you also chat with your children about the need to be aware of possible increased traffic around the garage area accessing the road. Many thanks.
