Issue 18

Friday 9th February

Clubs

You should have a club timetable with your newsletter and received letters about forthcoming clubs. Clubs will begin on the first Monday after half term. Some clubs will be cancelled due to Parent/Carers' Evenings and that information will be shared by those teachers leading the clubs.

Northumberland School Games – Year 3 and 4 gymnastics

Our squad of six girls from Years 3 and 4 took part in their qualifying event for the Northumberland School Games. There were eleven other schools from our area taking part in the competition, where two routines had to be performed in front of qualified gymnastic judges who were scoring the routines. The total scores from both routines were added together which led to a winner. We are extremely proud to share that our squad of one Year 3 and five Year 4 children won the event and will now represent Ashington and Coquet in the School Games in June. Their routines were excellent and in the end won the competition with a little to spare! In addition to winning the competition, our team also picked up three nominations made by other schools to one of the six School Games values. Well done to the whole team.

World Down Syndrome Day

This is on Tuesday 21st March and we will be asking everyone at school to wear odd socks and bring a small donation in towards this charity.

Parent/Carers' Evenings – New dates

These will take place on Monday 19th March and Wednesday 21st March now.

Year 6 Transition

Year 6 had a fantastic morning at Ashington Academy today. They were met by the Vice-Principal, Mr Robinson, given a tour of the school, completed work on similes, metaphors and personification and had a snack. The children also completed a postcard about the things they are really looking forward to and about their concerns.
