Update for pupils attending school.

For those children of critical workers school is open, but please use us **where there are no other options**. A positive case within your child's bubble will mean that the whole bubble (children who have attended in the previous 48 hours of onset of symptoms) will need to isolate for 10 days, including all of the staff that have worked with this group of children. This bubble will then remain closed until the end of this period of isolation.

Please stick closely to the times. Try not to arrive early, this can cause congestion putting you and others at greater risk. If you do arrive early and have travelled by car please wait in your car.

Morning drop off:	Afternoon collection
Nursery: 8.50 -8.55	Nursery: 3.00
Year 1 + 2: 8.50 -8.55	Year 1 + 2: 3.00
Year 3+4: 8.55-9.00	Year 3+4: 3.05
Year 5+6 8.55 -9.00	Year 5+6: 3.05

During this period of school closure all pupils must be collected.

If you need to wait with your child in the morning at drop off time or at the end of the day, please maintain social distancing and wear a mask. The government has asked us all to act like we may be infectious.

Please be very careful on the school car park. Please avoid crossing this area if you can, use the footpaths to walk around. This is especially so at the end of the day where pupils in Key Stage 2 need to be collected from different gates. The speed limit on the car park is **5MPH** and can be very icy at times.

Yours sincerely

Mr Chandler

Success-everyone, everyday
