Please see the school calendar on the website for additional dates and updates as the term progresses.	

This week we have been thinking about Australia, the fires that are happening and how people and animals are managing. We looked at some information about a zoo and how they managed to save their animals by having a plan in place which they were able to put in place immediately. We also talked about fire plans for our homes and the Fire Service reminder of what to do in case of fire: Get Out, Stay Out, Get the Fire Brigade Out.

Career Visitor- Ms de Silva, artist

What a fantastic day! Y3-6 worked to create canvas art which Jay will post back to us after she has created the wall hangings. It was very interesting to hear about her career path and amazing to see the paintings she makes of animals. 'I liked doing the patterns best'- Owen
'I liked painting the designs on the canvas- it was fun to do with the different colours'- Ella.

Jokes

Contributions for the weekly joke section would be appreciated- send them to the office or hand in to Miss Cantwell, thank-you.

Letters

Letters that have gone out this week via Parentmail:
Pele Trust Admissions Policy Letter

Letters that have gone out as paper copies:
Gardening Club

A joke for the week:

- What did the astronaut see in his pan?
- An unidentified frying object!
Thank-you 'My First Joke Book.'

Clare Cantwell, Head teacher
