

6.1.20 I can make a story map.

Today's activity requires you to think about the story of the Three Little Pigs, we managed to read this in class on Monday and everyone was very familiar with the story. Below is an example of a story map, the important parts are the headings so please feel free to complete it how you wish, using the headings. There are many different versions of the story so use whichever you are most familiar with. Please feel free to scan and send your work in to the reception email- reception@belsay.northumberland.sch.uk
