KS2 Cinema visit

We have the opportunity of taking all of KS2 to see "Onward" at the cinema on the morning of Friday 26th, at no charge to parents. This is a fantastic opportunity as the movie delivers a message of family bonds and personal growth, which will be followed up in school. If parents / carers choose for their child not to go, they are invited to contact the office and we can make alternative arrangements.

A Sporty Week!

Not only have we been looking at what it means to be a good friend this week, the week has also been full of sporting activity.

On Thursday 11th November, our Y5/6 Girls' Football team took part in an inter-school football competition at the University of Chichester. This is the first inter-school competition we have been able to participate in for almost two years.

On Tuesday 16th, our Boys' Football team were out at the University competing too. Mrs Dutton, our Sports Coach, who took both groups, reported that the children played well, that they improved with each game and demonstrated good sportsmanship throughout.

Yesterday, on the 18th November, the whole of Year 6 walked to Bishop Luffa for an inter-school "Sports Hall Athletics" competition, and it is great that all of the children were able to participate in this event.

We would like to congratulate all children involved, not only have they demonstrated good sportsmanship, their behaviour was a credit to all.
