

Children In Need 2019
November 15th

Once again this year we will be supporting Children in Need. Activities throughout the day for the children will include:

- Non-Uniform day
- Cake sale
- Face painting
- Fill our giant Pudsey with coins. Pudsey will be on the playground if weather will allow.

We would welcome donations for the cake sale. Please bring these in on the morning of Friday 15th November; if you would like your box/container returned, please ensure it is clearly labelled with your child's name and year group.

This year has a themed fancy dress. We have called it 'My Hero'. This means we would like to see costumes relating to something or someone your child admires and/or respects! Superheroes are welcome!!!

If you cannot think of anything suitable, then normal spotty clothes will be fine. Please ensure children will be warm

enough for this time of year.

We very much look forward to seeing all of your outfits this year!

I would also be very grateful for helpers on the day from 9.00am – 12.00 noon to do face painting and sell cakes at playtime.

I will also need some helpers for a cake sale after school. If you are able to help at anytime during the day please let me know, as we will be happy to have as much help as we can.

Please email me on lucycammack@btinternet.com to let me know you can come along.

Many thanks.
