

JYS Friends Newsletter

October 2019

Another half term is nearly over and JYS friends have been busy organising and **planning our events for the year**, which we would like to share with you.

So far we have had our annual AGM, organised Christmas cards, started planning for Christmas fair, Children In Need and the out door stage being built in the playground.

The AGM was a lovely evening with the added bonus of **cheese and wine**. This was a fantastic opportunity to celebrate a **successful year and plan another**. We were also extremely pleased to **welcome some wonderful Year R parents** to the committee, which is always good news!

Thank you for such a **huge response** to the Christmas cards; the designs from all of the children were wonderful. I am very much looking forward to **seeing them in November**. There was a small amount of **money that was outstanding**, so if you have not paid for your cards

please could you ensure that you do so by the end **half term**. Thank you.

The JYS committee do an amazing job and contribute hugely to the organising of these events, but we would always welcome some more **help**. So, if you can give some time for any of the above events, please get in touch. In particular, face-painters for Children in Need and some relief for small amounts of time on stalls at the Christmas Fair.

Our **next project** using some of the money raised is to build a **mini outdoors stage and seating** in the playground for playtimes, which we are really excited about. We shall keep you updated on our progress.
