

Thirsk Community Primary School

Equality Scheme

**Three year period covered by this scheme:
2013- 2016**

1.1 Purpose of the Equality Scheme

This equality scheme is the school's response to the specific and general duties in the current equality legislation. It is an attempt to capture how the school is systematically establishing and implementing good practice in equality and diversity across all areas of school life. This includes a response to all aspects of social identity and diversity as set out in the North Yorkshire County Council's Equality Policy Statement:

“we oppose all forms of unlawful or unfair discrimination, whether because of race, colour, ethnic or national origin, sex or gender reassignment, marital status, family status, sexuality, religion or beliefs, disability, age or any other condition or requirement which places a person at a disadvantage and cannot be justified”.

This Equality Scheme sets out how the school will:

- eliminate discrimination;
- eliminate harassment related to any aspect of social identity or diversity;
- promote equality of opportunity;
- promote positive attitudes to all aspects of social identity and diversity;
- encourage participation by disabled people and people representing different aspects of social identity in public life;
- take steps to take account of difference even where that involves treating some people more favourably than others.

This document provides, therefore, a scheme which embraces for our school a Race Equality Scheme, a Gender Equality Scheme, a Disability Equality Scheme and the school's Equality Policy. It is reviewed every three years and reported on annually.

An action plan accompanies this Equality Scheme which is renewed annually. In line with this Equality Scheme, the action plan sets out the equality and diversity objectives for the school which have been identified as a result of the school's equality impact assessment in line with this equality scheme and facilitated by the **Inclusion Quality Mark** audit tool.

This action plan embraces the Accessibility Plan for the school as it sets out how the school will increase access to education for disabled pupils in the three areas required by the planning duties in the Disability Discrimination Act:

- increasing the extent to which disabled pupils can participate in the school curriculum;
- improving the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services;
- improving the delivery to disabled pupils of information which is provided in writing for pupils who are not disabled.

This action plan is available from the school's main office. It is available in different formats and in different languages on request to the school office.

1.2 Equality Legislation

This equality scheme responds to the current equalities legislation:

- Race Relations Act (RRA) 1976/2000
statutory positive duty to promote racial equality, promote good race relations and eliminate unlawful racial discrimination;
- Sex Discrimination Act (SDA) 1975 (and Regulations 1999), Gender Equality Duty 2007
statutory positive duty to promote gender equality and eliminate unlawful gender discrimination;
- Employment Equality (religion or belief) (sexual orientation) Regulations 2003 extended to education, Equality Act (Part 2) 2007
The Act sets out that it is unlawful for schools to discriminate against a person:
 - a) in the terms on which it offers to admit him/her as a pupil;
 - b) by refusing to accept an application to admit him/her as a pupil, or
 - c) where he/she is a pupil of the establishment:
 - i) in the way in which it affords him/her access to any benefit, facility or service,
 - ii) by refusing him/her access to a benefit, facility or service,
 - iii) by excluding him/her from the establishment,
 - iv) by subjecting him/her to any other detriment.(There are specific exemptions for faith schools.)

- Disability Discrimination Act (DDA) 1995/2005 statutory positive duty to promote equality of opportunity for disabled people: pupils, staff, parents, carers and other people who use the school or may wish to, and eliminate unlawful discrimination;
- Education and Inspections Act 2006, duty to promote community cohesion.
By 'community cohesion' the school is endorsing and adopting the definition provided by Alan Johnson, 2006, as: "working towards a society in which there is a common vision and sense of belonging by all communities; a society in which the diversity of people's backgrounds and circumstances is appreciated and valued; a society in which similar life opportunities are available to all; and a society in which strong and positive relationships exist and continue to be developed in the workplace, in schools and in the wider community."

2 What kind of a school are we?

2.1 School Vision and Values

The school's vision and values statement reflects the school's ambitions for all its pupils. It refers to the key requirements set out in the National Curriculum Inclusion Statement for developing an inclusive curriculum: setting suitable learning challenges; responding to pupils' diverse learning needs; overcoming potential barriers to learning and assessment for individuals and groups of pupils.

The school statement also embraces the North Yorkshire Inclusion statement which emphasises that individuals and groups of learners who may be vulnerable to exclusion, marginalisation and underachievement are identified and receive targeted provision to ensure their presence, participation and achievement. The school is committed to achieving the **Inclusion Quality Mark** and is aspiring to achieve progressively higher levels of this award.

2.2 School Context

The nature of the school population and context to inform action planning for the equality scheme:

- The school is situated in an area of significant need – as identified on NYCC ‘Indices of Deprivation’ (2007)
- The ‘Indices’ has triggered the building of a Children’s Centre on site to meet the needs of the local community
- 11% in year mobility factor for pupils
- A Hygiene Room was added to the school in June 2007
- A ramp provides disabled access to two external classrooms
- Main entrance to school has been ramped to allow disabled access
- 60% of children’s toilets have been refurbished to assist children who have disabilities e.g. automated lighting
- Additional lighting is being installed to external paths on the school site as part of the Children’s Centre Project
- Additional classroom support is provided for the disabled children in school to support full access to the school’s curriculum
- 17 children have English as a second language
- 10 children are from the Traveller Community
- Racist incidents are logged by the school – 4 logged in 2010 -13
- 3 pupils have vision impairment
- 1 pupil has physical impairment
- 17 pupils with Speech and Language and Moderate learning difficulties

- and some pupils are being investigated for dyslexia
- 3 pupils with Communication and Interaction difficulties
- 84 pupils identified in receipt of the Pupil Premium
- The recruitment of staff, their development and retention are positively encouraged positively taking into account factors such as disability, gender, sexual orientation, faith, age, ethnicity.
- The school regularly monitors and supports children positively with respect to gender, ethnicity, disability, faith background, and aspects of vulnerability identified by the school including:
 - analysis of end of key stage results;
 - achievements on extra-curricular activities;
 - attendance data;
 - exclusion data;
 - participation on school trips;
 - participation in extended school activities;
 - Every Child Matters outcomes based on qualitative evidence such as pupil voice surveys, parental feedback, staff health and wellbeing information.

The school plans all on-site and off-site events as well as day-to-day provision bearing in mind a range of reasonable adjustments. Examples of these include provision, use of tinted backgrounds and coloured overlays. When developing the site, the Governors plan carefully for the future, ensuring full access to all areas.

The school has reported 3 racist incidents in the past 3 years.

There have been 36 fixed-term exclusions in the past 3 years and this has reduced to 3 in 2012-13. The number of pupils who have been excluded this year is 1.

Thirsk Community Primary School is committed to equality of opportunity for all – this is demonstrated in all appointments, pay, performance management, induction and professional development, and disciplinary processes.

Pupil outcomes (as supported by OFSTED in 2012) are good for all ‘vulnerable’ groups. Extra-curricular provision is good and fully inclusive. All pupils, whatever their needs are included in visits, residentials and cluster extended schools activities. After considering appropriate and reasonable adjustments, if a child would need to be left out of a visit, then this visit could be curtailed.

Performance data is analysed at least annually, through use of RAISE Online. Current results indicate no trends in performance to raise concern through gender, ethnicity, faith background or other aspects of vulnerability. However, the school does track attendance very closely due to having a significant number of pupils being recognised as persistent absentees.

2.3 Responsibilities

The Governing Body and School Leadership Team will:

- be proactive in promoting equality and tackling discrimination in all areas;

Visitors and contractors are responsible for complying with the school's Equality Scheme – non-compliance will be dealt with by the Headteacher.

3.1 Involvement Processes

Policies are vital to identify and consolidate thinking regarding appropriate provision for pupils, however, they are often viewed as an end, when they should be seen as a process - always evolving in response to changes and evidence from impact assessments. When developing this Equality Scheme, the school is clear that this is a process which must be informed by the involvement of all participants such as pupils, parents, school staff, governors and external agencies. This will ensure that the school gleans insights into the barriers faced by people from different social identity backgrounds and learns the best ways to overcome such barriers. This Equality Scheme will be informed, therefore, by:

- the views and aspirations of pupils themselves from different social identity backgrounds;

- the views and aspirations of parents of pupils from different social identity backgrounds;
- the views and aspirations of staff from different social identity backgrounds;
- the views and aspirations of members of the community and other agencies, including voluntary organisations, representing different social identity backgrounds;
- the priorities in the North Yorkshire Children and Young People's Plan.

3.2 Mechanisms for involvement

At this school the following mechanisms will ensure the views of **pupils** inform the Equality Scheme and action plan:

- Exit interviews with pupils;
- School council;
- Individual interviews with pupils involved in incidents of a discriminatory nature;
- Individual interviews with pupils experiencing reasonable adjustments;

At this school the following mechanisms will ensure the views of **staff** inform the Equality Scheme and action plan:

- Exit interviews with staff;
- Regular meetings with union representatives;
- Regular staff meetings with specific agenda items;
- Individual discussions with staff as a part of performance management.

At this school the following mechanisms will ensure the views of **parents and the community** inform the Equality Scheme and action plan:

- Text to be inserted into communication with parents: *“your support for your child’s education is crucial to their progress. Please tell us if there are any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.”*
- Feedback through the Governing Body meetings;
- Feedback through the PTA meetings;
- Feedback from adults using the school beyond the school day;
- Yearly open meetings with parents and local groups representing a particular theme.
- Feedback from the termly Children’s Centre Governing Body Meetings, of which the headteacher is a member.

The school’s action plan will focus on developing the involvement of pupils, staff and parents from different social identity backgrounds over the three years of this Scheme. We will consider varying the times, methods and the venues for this involvement to ensure the best possible attendance and ensure views can be heard. This way the school will learn what works and the involvement of pupils staff and parents will improve and deepen over time.

4 Making it happen

4.1 Implementation of Policy

This scheme is supported by an action plan, the progress of which is monitored and evaluated by the Governing Body.

- clear allocation of resources, human and financial;
- clear timescales;
- expected outcomes and performance criteria;
- specified dates for review;

The effectiveness of this Scheme will be evaluated and reflected in:

- the School Self-evaluation Form;
