Dear Parent/Carer

Years 5 and 6 Christmas Party

On Friday 20 December in the afternoon we will be holding our Year 5 and 6 Christmas party. Children may come to school on this day dressed in their party clothes.

It would be very much appreciated if each child can bring a small amount of party food to share. **Please be aware that no food containing nuts should be included.** If your child has a food allergy, please can they bring in a named plate/box of food for the party. We will not require any assistance of additional adults on this occasion.

Many thanks

Sevion Miles
