Message from Mrs Stout

Well, what a busy and brilliant week! The weather held up (just!) and so some of our sports afternoons (and some trips) went ahead. It is fabulous to see the children having fun, trying hard, competing and to hear their friends shouting for them. Thanks to parents and carers for coming—we had some great positive comments and the children were very excited to see you all. We have rescheduled reception sports afternoon to Friday 28th June at 2pm! Let the sun shine!

Y6 went to Harewood House this week as part of their Yorkshire topic—they saw some great animals and later did research, notes and presentations about them:

We were recently evaluated by Leeds NHS Dental Service in

relation to our teeth brushing scheme which runs throughout school from Y3-6. We were delighted to receive the GOLD standard once again—thank you to all our children for their diligent brushing and to Mrs Ulliyart and Karen in nursery (as well as our teaching staff) for supporting this project so brilliantly.

Upcoming events:

Monday 24th June Y3 sports @ 2pm; Tuesday 25th June Y5 sports @ 2pm

Wednesday 26th June Y4 sports @ 2pm; Thursday 27th June Y6 sports @ 2pm

Friday 28th June Reception sports @ 2pm

Last week we had FUDGE day (Families, Uncles, Dads, Grandads, Everyone) - here are some pictures:

Y1 had to design a boat with... 2 sails, a mast taller than 15cm with a flag (in the middle of their boat), use at least two different materials and then they added weights until it sank. Lots of fun was had by all!

And Y5 went for outdoor maths—making, amongst other shapes, a cuboid with twigs and string! Great creative skills and problem solving.

Please be aware of what your child is accessing on line—sometimes 'things' get through the security firewalls you have in place and you won't know unless you look at the device and browsing history. Our advice is to check your child's browsing history once a week. Come and see the Oasis team if you want any further advice on this.
