

Meadowfield News

14th June 2019

Message from Mrs Stout

What a wet start to the week—we are a bit worried about our upcoming sports events and summer fair! However we have still had a great week here at Meadowfield as usual. I want to start with a huge well done and thank you to Ashton B who was a fabulous support and caring person when Tom O needed help. Ashton is getting a special mention for this to say thank you.

Nursery did their wonderful assemblies this week all about caterpillars! Great singing, acting and generally being brilliant caterpillars and butterflies!

In school you will see a lot of plastic displays which children are using for raising awareness about how to reduce our single use plastic. Mrs Ulliyart has many more ideas about this for us to work on into next year so we will keep you informed!

ATTENDANCE TARGET 95.5%

ACTUAL ATTENDANCE 94.4%

Another disappointing week last week with only 91.9%. There was only one class who achieved over school target so they were automatically our best attending class. Good job 6PS with 96.3%.

With only 5 more weeks to go, there are still opportunities for classes to achieve the magic 100% and receive an extra treat on top of a dress down day so try your best everyone!!
