

Meadowfield News

11th January 2019

Message from Mrs Stout

Happy New Year to everyone associated with Meadowfield Primary School and Early Education setting. We hope you had a great break and are refreshed for the term ahead.

Certainly Meadowfield staff don't let the grass grow under their feet....year five were out on Wednesday and Miss Hogger tells me 'Year 5 had a fantastic time exploring and learning more about Kirkstall Abbey as part of their "History of Leeds" topic. Ask them about the interesting facts they know about the Abbey. Did you know that a main road into Leeds used to run straight through the Nave of the Abbey once it was closed?' I certainly didn't!

On Thursday year four went out to Temple Newsam as part of their ecosystem learning—to investigate from the floor to the tops of the trees! Later this term Y5 have their residential and Y4 go on their residential in the summer term! Exciting times ahead.

Here are a few notices from staff:

- **We MUST** have written permission for trips and visits—we are not allowed to take a child on a trip with just over the phone/verbal consent —please fill in the slips on the bottom of letters about trips to give your written permission
- **PLEASE** tell us when you change your mobile phone number! Your child could be ill, school could be closing (you never know.....) and you would not be able to find out. It is a statutory requirement that you give us at least two up to date contact numbers.

Reception intake for September 2019

If your child is due to start school in September 2019 we are reminding parents/carers to return all the relevant application forms before Tuesday 15th January 2019. Come and see someone in Nursery or Reception or the Oasis team if you need help making your selection. Late applications mean you may not be allocated a place at your preferred school.

ATTENDANCE TARGET 95%

ACTUAL ATTENDANCE 94.9% ...nearly there!

Another positive week last week saw 2 classes winning best attending class. Well done to 2KB & 6AS who both achieved 98.6% and a dress down day.

Don't forget we have started our **Give it 100%** initiative which will **run for this whole half term until 15th February**. We have been given some fabulous prizes to give away from the Leeds United Foundation. All 100% attenders will be eligible to win a Leeds

United Medal or a pair of match tickets. Plus 14 children who have impressed the attendance team with their fabulous attendance effort will be taken on a Leeds United stadium tour. Lets go for it!..

100%
