### Message from Mrs Stout

Wow— we are racing towards the end of term; for those Y6s who are attending Temple Moor next year this coming week will be their last one with us! Thank fully they are returning for our disco and also our leavers’ assembly at the end of term.

I want to start by sharing the most amazing piece of art work by one of our Y6s— Aleesha B has painted this and Mr Mason was absolutely blown away by the quality. I can only agree!

Y5 have decided to show how they can make a positive contribution by volunteering to go to a local care home and share learning, chats, music and more on a weekly basis. They braved the rain and walked up there this week for an introductory session. Well done Y5.

Last week Y5 went to the theatre—they had a privileged view of back stage including the dressing rooms— I wonder if it gave them the dream to become famous? They had a great tour and learned about famous actors/actresses— they even designed some props!

Here are some great pictures of Y6 having their ‘WE SURVIVED SATS’ treat at Lightwater Valley....Connor looks a bit soggy!

Leeds United Foundation came to spend some time with us as well to promote girls into sports through the Wildcats scheme. They hold an after school club here and details of this have been send home on a leaflet.

Finally a thank you for bearing with us for sports days which have been cancelled and for turning up to support those events which did go ahead. Here is the Y1 Dads’ Race and the Egg and Spoon:

More to come next week! Reminder—gates open at just before 2 pm to let you in for sports afternoons but then they will be locked until 3pm so you will need to stay on the school premises for the full hour. Thank you.

**ATTENDANCE TARGET 95.5%**

**ACTUAL ATTENDANCE 94.4%**

We achieved bang on target last week with 95.5% - great news!

This meant there were another 8 certificates handed out and they went to: 6PS with 95.5%, 3DCD - 95.8%, 3GH - 95.9%, 4RE & 5FE - 96%, 5SO 97%, 6MT 99%.

2RT were our best attenders with 99.3% - well done 2RT.

Only 3 more weeks left, so let's keep this momentum going and get some 100% classes before we break up. Fingers crossed
