## 4th July 2019

### Message from Mrs Stout

Goodbye to some of our Y6s as they leave to start their high school transition at Temple Moor. We wish them all the very best of luck. Today you will have received your child's report which we hope you find good reading! Please remember that school is closed to children tomorrow and we will see the children back again on Monday— staff have a special training day tomorrow to prepare for next academic year.

Remember as well that we break up for the summer on Friday 19th July—returning on Tuesday 2nd September. Some of the staff are moving year groups for September and children have spent some time with their new teacher and other supporting adults this week. A further transition session is planned for next week.

Staff changes (because some parents and carers seem to have missed this in a previous newsletter) -

- Mrs Cunningham, Mrs Masey and Mrs Gibson are all retiring at the end of this month; all have given many years of dedication and care to the school and the community and I know will be greatly missed~ for everyone who is leaving us I want to say a huge **THANK YOU** for your dedication and support during the time you have worked with us and we will all miss you lots ~ so keep in touch!
- Mrs Middleton is to replace Mrs Gibson and we are awaiting the interview processes for the other replacement staff we need in school.

Messages from staff— thank you to all parents and carers who attended the Y3 and Y5 sports afternoons— we braved the weather and managed to go ahead!

Reception class went on their annual trip to Bridlington this week as well—they had a WONDERFUL time and came back tired and happy!

Unilever have been in to visit the Y6s as part of our careers and aspiration programme. Huge thanks to all who came in and well done to the Y6s who participated really well and we hope this has given them some good ideas for their future careers.

Look at the Wiggly Worms made by our Attention Autism group—as Miss Clark says “ so much mess and so much fun!”

Nursery have had their own caterpillars in class; they watched them grow and change and finally let them go as butterflies! The children have been very interested and have learnt so much. When he was at home, Alfie continued his learning and he and his Mum found a large moth on the wall, they caught it and it has laid eggs! Alfie and his Mum have been researching all about this particular type of moth and have been learning how to care for it. Alfie then brought it to school and has been showing everyone and tell us all about it. Later he will let the moth go free!

### Summer fair

Raffle tickets are now on sale from your child's class for the wonderful annual SUMMER DRAW. They are 50p each or 3 for £1. Prizes include £50 cash, days out and much more! Proceeds to school trips and visits.

Thank you to everyone for your contributions to the tombola staff for our fair! Keep them coming in please!

## 4th July 2019

**ATTENDANCE TARGET 95.5%**

**ACTUAL ATTENDANCE 94.4%**

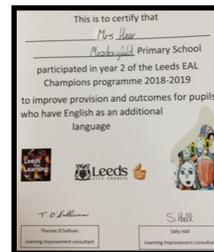

Last week's attendance was down at 94.5%. Six classes were over target: 3GH with 95.5%, 5SO with 96%, 6AS with 97.1%, 2KB with 97.2%, 6PS with 98% and our winners were 2RT again with 98.2% - they really are on a roll. Well done 2RT.

On Monday we will hold our final attendance assembly and reward those children with outstanding attendance this year. Plus all children who have over school target of 95.5% will receive an ice cream during the final week, so keep coming to school for the chance to be rewarded.

### English as a second or additional language

We are so lucky to have such a diverse school population and it benefits our learning with sharing different cultural and religious backgrounds. This reflects the population of Leeds.

Sometimes though it can be hard when English isn't your first language— if you need support for yourself or your child you can see Mrs Heer (Y3 teacher) who has recently completed her second year of EAL support training.

### Star badges- well done to all children

All the class		RRR
