

Green Class

11.01.19

Welcome back! Hope everyone had a lovely Christmas and New Year!

Everyone has settled back into the school routine really well and enjoying our new topic 'Historic Civilisations' where we will be learning about the Romans, Vikings and Anglo-Saxons. This term.

In Literacy we have been making predications for our new book this term. We think it's a book about dragons and got to listen to some dragon sounds to describe how we felt.

In maths we have been working really hard with fractions and have been finding out halves and quarters of different items and shapes. We have also been on a fraction hunt finding equivalent fractions and matching them up.

In cookery this week we have been making Omelettes and in Art we have been looking at what Roman Soldiers used to wear so have been making our very own shields!

UPDATE:-

- Swimming on Thursday afternoon
- Visit to the Discovery Museum on Tuesday. Letter enclosed.
- Homework Booklet about fractions to work through this half term. To hand 2 pages in every Friday out of the booklet.

Have a great Weekend!
