

Green Class

26.04.19

Welcome back! Hope you have all had a fantastic Easter break and enjoyed hunting for Easter eggs!

This week we have settled back into a routine really well and have started some fantastic learning already! Our new Topic is 'Under the Sea' and everyone has been working really hard to get their shells to go on their reward chart.

In Literacy this week we have been discussing what we have been doing on our holidays by creating a story board. We have also been predicting what is going to happen in our new book and learning new vocabulary from the book.

In Maths we have been learning about statistics and what a tally chart is. We have also been counting up sea creatures and making a tally chart.

Update

- Blue Reef Aquarium Visit on Tuesday—comfortable shoes please
- Homework about tally charts due in for next Friday please
- P.E on Thursday afternoon—P.E kit please—white polo shirt, shorts, joggers and trainers
