Oh la la, what a wonderful time everyone had on French Day last Friday: singings, dancing, quizzes, boules, games...and let's not forget Café Rouge: délicieux!

ATTENDANCE

*“Central to raising standards in education and ensuring all pupils can fulfil their potential is an assumption so widely understood that it is insufficiently stated – **pupils need to attend school regularly to benefit from their education.** DfE 2013*

On Thursday, our Y6 class went to St. Mary's Cathedral to celebrate Mass with Bishop Robert and all the Y6 pupils and teachers from Newcastle Catholic primary schools. It was a wonderful service of reflection and thanks-giving to acknowledge the children's many successes and achievements at primary school and, subsequently, their readiness to embark on a new journey of education and faith.

It is not just our Y6 pupils who have exciting educational changes ahead of them. Indeed, Mr Cox, our TA and sports coach, is leaving St. Vincent's to train as a primary school teacher.

Although we will all miss Mr Cox (he's been at the school for 6 years) we are confident that he will return: if not as a class teacher then as a welcomed VIP guest.

Good Luck Mr Cox!

As a firm favourite for all St. Vincent's pupils, 4 of our KS2 children enjoyed an afternoon at Byker Farm last week. The pupils had wisely chosen to spend their winits on this exciting and entertaining excursion and all agreed it was just as much fun as it had been when they were in KS1.

Attend today, achieve tomorrow	
Attendance for last week	
Class	Attendance
Reception	93.3%
Year 1	95.7%
Year 2	98.3%
Year 3	100%
Year 4	97.3%
Year 5	98.0%
Year 6	96.7%
Total	97.0%

98.6, 99.3 and now 100%...what a great run of super attendance, bravo Y3! Whilst our weekly tally is above the minimum 96% it is below our target of 98%. With only 2 more weeks of term left, let's all make an extra big effort to hit 98% before we break for the 6 week holiday.

Please Note: the 2019-2020 term-times are posted on the school's website. Please check dates before booking a family holiday. Thank you.

Millie, Y5, is always keen to join the lunchtime basketball games at school. She's not the only one who loves this sport: 🏀

Q. Why are babies good at basketball?

A: Because they are excellent at dribbling!
