

St. Vincent's RC Primary School

Pupil Premium Policy 2019

Mission Statement

Our mission is to serve the children of St. Vincent's as we grow together, building and deepening a community of faith and learning safe in the love of Christ.

By walking in the footsteps of Jesus every child, irrespective of culture, belief or race, will be treated as the unique person they are and, through respect and nurturing, will gain a love of learning and reach their individual potential.

Inspired by Our Lord's teaching and Catholic tradition we will provide a challenging and enriching curriculum for our children. Knowledge, raised aspiration, respect and value of self and others will equip them to move with growing confidence onto the next stage of life.

Aims:

At St. Vincent's, we have high aspirations and ambitions for our children and we believe that no child should be left behind. We strongly believe that it is not about where you come from but your passion and thirst for knowledge, and your dedication and commitment to learning that make the difference between success and failure, and we are determined to ensure that our children are given every chance to realise their full potential. Pupil premium funding represents a significant proportion of our budget and this policy outlines how we will ensure it is spent to maximum effect.

Background

The pupil premium is a government initiative that targets extra money at pupils from deprived backgrounds. Research shows that pupils from deprived backgrounds underachieve compared to their non-deprived peers. The premium is provided to enable these pupils to be supported to reach their potential.

The Government has used pupils entitled to free school meals (FSM), looked after children and service children as indicators of deprivation, and have provided a fixed amount of money for schools per pupil based on the number of pupils registered for FSM over a rolling six year period.

At St. Vincent's we will be using the indicator of those eligible for FSM as well as identified vulnerable groups as our target children to 'close the gap' regarding attainment.

Context

When making decisions about using pupil premium funding it is important to consider the context of the school and the subsequent challenges faced. Common barriers for FSM children can be less support at home, weak language and communication skills, lack of confidence, more frequent behaviour difficulties, and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing. The challenges are varied and there is no "one size fits all".

Key Principles

By following the key principles below, we believe we can maximise the impact of our pupil premium spending.

Building Belief

We will provide a culture where:

- staff believe in ALL children
- there are no excuses made for underperformance
- staff adopt a solution-focused approach to overcoming barriers
- staff support children to develop growth-mindsets towards learning

Analysing Data

We will ensure that:

- All staff are involved in the analysis of data so that they are fully aware of strengths and weaknesses across the school
- We use research (Such as the Sutton Trust Toolkit) to support us in determining the strategies that will be most effective

Identification of Pupils

We will ensure that:

- ALL teaching staff and support staff are involved in the analysis of data and identification of pupils
- ALL staff are aware of who pupil premium and vulnerable children are
- ALL pupil premium children benefit from the funding, not just those who are underperforming
- Underachievement at all levels is targeted (not just lower attaining pupils)
- Children's individual needs are considered carefully so that we provide support for those children who could be doing "even better if....."

Improving Day to Day Teaching

We will continue to ensure that **all** children across the school receive good teaching, with increasing percentages of outstanding teaching achieved by using our team leaders to:

- Set high expectations
- Address any within-school variance
- Ensure consistent implementation of the non-negotiables, e.g. marking and guided reading
- Share good practice within the school and draw on external expertise
- Provide high quality CPD
- Improve assessment through joint levelling and moderation

Increasing learning time

We will maximise the time children have to catch-up through:

- Improving attendance and punctuality
- Providing earlier intervention (KS1 and EYFS)
- Extended learning outside of the class timetable:
 - Lunchtime reading
 - Crammer Club during the Easter holidays
 - After-school homework club
 - Breakfast booster sessions

Individualising support

We will ensure that the additional support we provide is effective by:

- Using our dedicated Intervention Team to deliver support
- Looking at the individual needs of each child and identifying their barriers to learning
- Ensuring additional support staff and class teachers communicate regularly
- Matching the skills of the support staff to the interventions they provide
- Working with other agencies to bring in additional expertise
- School Home Support
- Providing extensive support for parents
 - o to support their children's learning within the curriculum
 - o to manage in times of crisis
- Tailoring interventions to the needs of the child (e.g. Targeted maths revision sessions in the afternoons for children who struggle in the main lesson)

Going the Extra Mile

In our determination to ensure that ALL children succeed we recognise the need for, and are committed to, providing completely individualised interventions for set periods of time to support children in times of crisis.

Monitoring and Evaluation

We will ensure that:

- A wide range of data is used – achievement data, pupils' work, observations, learning walks, case studies, and staff, parent and pupil voice
- Assessment Data is collected half termly so that the impact of interventions can be monitored regularly
- Assessments are closely moderated to ensure they are accurate
- Teaching staff and support staff attend and contribute to pupil progress meetings each term and the identification of children is reviewed
- Regular feedback about performance is given to children and parents
- Interventions are adapted or changed if they are not working
- Case studies are used to evaluate the impact of pastoral interventions, such as on attendance and behaviour
- A governor is given responsibility for pupil premium

Reporting

When reporting about pupil premium funding we will include:

- information about the context of the school
- objectives for the year
 - o reasons for decision making
 - o analysis of data
 - o use of research
- nature of support and allocation
 - o Learning in the curriculum
 - o Social, emotional and behavioural issues
 - o Enrichment beyond the curriculum
 - o Families and community
- an overview of spending
 - o Total PPG (pupil premium grant) received
 - o Total PPG spent
 - o Total PPG remaining
- a summary of the impact of PPG
 - o Performance of disadvantaged pupils (compared to non-pupil premium children)
 - o Other evidence of impact e.g. Ofsted, Accreditations
 - o Case studies (pastoral support, individualised interventions)
 - o Implications for pupil premium spending the following year

The Governing Body will consider the information provided and will ensure that there is an annual statement to the parents on the school website outlining how the Pupil Premium funding has been used to address the issue of closing the gap for pupils eligible for Pupil Premium. This task will be carried out in line with the requirements published by the Department for Education.
