

# Caterpillars and Butterflies

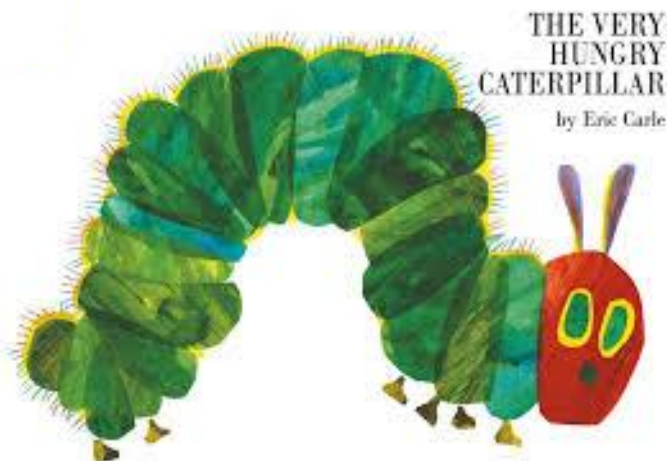

Put your thinking hats on and ask a grown-up to read these questions to you.

1. Have you ever seen or touched a caterpillar?
2. What does a caterpillar feel like?
3. What colour butterflies have you seen?
4. Where do you think butterflies come from?

**Task:** With a grown-up, copy and paste this link into your browser and watch the story of 'The very hungry caterpillar.'

<https://www.youtube.com/watch?v=75NQQK-Sm1YY>

Now answer these questions:

- 1) When the caterpillar is first born, what does he come out of?
- 2) What did the caterpillar eat on Wednesday?
- 3) What did the caterpillar eat to make himself feel better?

**Challenge:** Can you retell this story to a grown up?
