All the Y4 pupils from Newcastle Catholic Primary Schools gathered together for a service of reflection and prayer at St. Mary's Cathedral on Wednesday. Three pupils from each school led the congregation through The Stations of the Cross. Imogen, Joshua and Alfie represented St. Vincent's and made us all very proud by their reverent and respectful words and actions.

Y3 is studying Coal Mining for their Local History and Art topics this month. So, to immerse the children fully in the pit-man's experience, Mr Collister took his class to Woodhorn Colliery Museum. The children saw the heavy machinery, handled the tools and examined the treacherous conditions of working in the coal mines. Whilst it may be a lost industry, it is not a forgotten industry for the children of St. Vincent's.

ATTENDANCE

*"Central to raising standards in education and ensuring all pupils can fulfil their potential is an assumption so widely understood that it is insufficiently stated – **pupils need to attend school regularly to benefit from their education.** DfE 2013*

Attend today, achieve tomorrow

Attendance for last week

Class	Attendance
Reception	95.3%
Year 1	96.9%
Year 2	97.3%
Year 3	98.9%
Year 4	99.3%
Year 5	98.7%
Year 6	97.7%
Total	97.7%

Hoorah for Y4: top of the table with a fabulous 99.3%. Bravo! No doubt their heavy training schedule for both the Skipping Competition and the Dance Festival is keeping them fit and healthy. Please remember that the Government considers attendance of 90% or lower as Persistent Absenteeism and schools are obligated to intervene when children are not receiving their full educational entitlement.

Cobie (Y4) is glad it's nearly spring and there'll be no more sniffles, snuffles and blocked-up noses. He thought you might like this joke:

Q. What do you call a nose without a body?

A. No body nose!

Next week's statement to live by

I know what humility means
