

# The Very Hungry Worry Monsters

Written by Rosie Greening

## Task

Watch the story then answer or discuss the questions below with a grown up.

### After watching

Now that you have watched the story discuss and answer the questions below with a grown up.

1. Can you remember what the little girl is called who tell us about the worry monsters?
2. What sort of things do the worry monsters not eat? What do they love eating?
3. How do the worry monsters help humans?
4. We meet lots of different types of worry monsters in this story can you describe or draw a picture of your favourite?
5. The little girl cannot find her favourite worry monster, where does she look and how does she feel when she can't find it?
6. What things does she do to calm herself down?
7. What type of worries does her favourite monster help with?
8. Can you draw and describe your own worry monster? What would it help you with and what would it look like?
